LETTER FROM MICHAEL

FRIENDS AND TORAH FANS,

We have been working unabatedly this year to bring several projects to fruition, and I have met with people from all over the world that have shown me the reach and impact of that work. We have been creating new television episodes, forging new partnerships and collaborations, and churning up new ideas every day for where we want to go. All that newness is exciting, but it is all made possible by your steady support.

In the whirlwind of all the new things we are working on, some things must be consistent. Every year we work to bring the Astronomically and Agriculturally Corrected Biblical Hebrew Calendar on time to those who want to keep the feasts at the appropriate times. We provide Shabbat Night Live weekly to encourage home fellowship on the Sabbath. These projects are just as important as our new endeavors, and they are part of what we do to continually feed those who have been with us over the years.

With this steadiness in mind, we want to thank you, our strong and constant partners. While we work hard to get the word out to more and more people across the globe, you are the gears that keep us going. We could not do this, we could not extend our reach, we could not try new projects, we could not be a consistent voice for truth

without you behind us holding us up. You are the solid base needed to move us to higher heights, and you are truly valued and appreciated.

We know you are there, and we see you as more than just holding us up – you are holding us to a high standard. Because we operate by your support, we know we must do our best to make good use of it. That is why we love to hear from you. We love to know which of our projects excite you and how you use them to connect with others.

There are many around the world that are lost in uncertainty and have never heard the Greatest Story Never Told. Those people need your unwavering hand to grasp onto, the one that provides them with the truth that they long to know. You provide that steady hand every time you give support to our projects. We are just finding the ways to bring the word to people; it is you who are the provision.

Thank you for being the foundation of this work. Every morning we gather and give thanks for you before we begin the day's tasks. We are blessed to be an extension of your generosity that touches millions all over the planet. Because of your help we can remain both steady and constantly pushing ourselves to change more lives.

Shalom,

Michael Rood

HebRood 101

Whether you're just discovering the Hebrew roots of your faith or you've been diving deep for a long time, sometimes Michael Rood may use a Hebrew term you've never heard before. We'll soon be adding a Hebrew Glossary to our website and thought that we would share some of the most common terms in this month's newsletter.

Aviv:

First month of the Ancient Biblical Hebrew Calendar, instituted in Exodus 12. Aviv marks the beginning of the barley harvest. The word aviv also refers to a particular growth stage of barley, at which point it is not yet golden but just ripe enough to be suitable for the "first fruits" offering following Passover (first fruits is the day of Yeshua's resurrection as the "first fruits" of the dead).

Mashiach (mah-SHE-ahk):

This is where we get the word messiah, which is almost a direct transliteration. Instead of "Jesus Christ", in Hebraic circles He is often referred to as "Yeshua haMashiach". The preposition "ha" is equivalent to the English word "the." In Hebrew, this term is most often butted next to the word to which it refers (i.e. haMashiach).

Mikvah (MIK-vuh):

Lit. gathering. A ritual bath used for spiritual purification. Far deeper in meaning than the pagan ritual of "baptism" the Mikveh is not a one-time event but is performed regularly as a reminder of washing away the past.

Pesach (PAY-sock):

Passover, the Spring Feast of the LORD commemorating the Exodus from Egypt.

Shabbat (shah-BAHT):

Lit. end, cease, rest. The Sabbath, a day of rest and spiritual enrichment.

Shofar (sho-FAHR):

A ram's horn, blown like a trumpet as a call to repentance.

Takanot (ta-kah-NOTE):

Manmade laws of the ancient Pharisees and modern rabbis that change or negate YeHoVaH's/Yeshua's commandments. Yeshua was continually scolding the Pharisees for creating such superficial, manmade traditions that confused and entrapped the people into a life of ineffectiveness.

Torah (TOH-ruh):

In its narrowest sense, Torah refers to the first five books of the Bible: Genesis, Exodus, Leviticus, Numbers and Deuteronomy, sometimes called the Pentateuch or the Five Books of Moses. In its broadest sense, Torah also includes the other writings and the prophetic books of the "Old" Testament.

YeHoVaH (yeh-hoe-VAH):

The literal pronunciation of the name of God in Hebrew, thought to be lost to antiquity. However, recent forensics of ancient manuscripts have revealed more than 400 manuscripts with the rare vowel markings necessary to properly pronounce the Name.

Yeshua (yeh-SHOE-ah):

The proper pronunciation of Jesus' real, Hebrew name.

Is there a Hebrew term you've heard but don't understand? Email us at michael@michaelrood.tv and we'll add it to the glossary!

THANK YOU FOR TOUCHING LIVES... OUR LIVES!

Every day we send out Thank You letters of ‘Your’ testimonies of how your lives have been changed through the ministry of A Rood Awakening! International. We anoint and pray over these letters before sending them out and believe that Heaven touches Earth through this prophetic act, believing that the letters are a point of contact.

So that from his body were brought unto the sick handkerchiefs or aprons, and the diseases departed from them, and the evil spirits went out of them.”

- Acts 19:12

Your testimonies are changing lives around the world — and our lives here at A Rood Awakening! International. More times than I can count, at the very moment that the mandate of spreading the truth gets heavy for Michael Rood and the staff, the Ruach HaKodesh (Holy Spirit) steps in with encouragement from those to whom we minister. So many times, at just the right moment, we have been blessed with a “thank you” card in the mail, an encouraging word on our Facebook page, or a simple phone call to say “keep it up, you’re making a difference.”

I can’t tell you how much this means to Michael and the staff! We share these encouraging words with everyone in the building at the moment we receive them. It lifts our spirits and gives us new fuel to spread the wildfire of Truth! It is such a blessing to know that the efforts you see are making a difference and that you are praying for

us! If this has ever been your experience, THANK YOU! Please know that you have touched our lives here at A Rood Awakening! International in ways that have encouraged, humbled, inspired and strengthened us to continue in the fight.

Continue in prayer, and watch in the same with thanksgiving; Praying also for us, that God would open unto us a door of utterance, to speak the mystery of Christ...”

- Colossians 2:1-3

Again, thank you for blessing this ministry with your obedience to the Spirit, your efforts, and your increase. Not only are you touching lives around the world, you are touching the heartstrings of everyone here at A Rood Awakening! International with your love, support, and prayers. For this, we are eternally grateful.

Todah rabbah! (Hebrew for “thank you very much”)

IS CHEESE A TRAP?

By Scott Laird, ND

Each month, you can watch a new episode of my natural health talk show, *The Health Awakening* online at www.HealthAwakening.tv. For the November episode, I invited Dr. Neal Barnard to talk about his new book, *The Cheese Trap*.

Dr. Barnard is founder and president of a 12,000-physician member organization called The Physicians Committee for Responsible Medicine. The things he had to say about America's addiction to cheese was a shock to our viewers and a wake-up call to anyone striving to be healthy! Here's an excerpt of what he said:

"NIH (National Institutes for Health) funded us to test plant-based diets for diabetes patients. But we started to hear from people who said, 'I'm really craving cheese.' Specifically cheese! It wasn't milk or yogurt, etc. So we started to look into this and found that there are opiate chemicals — the same chemical class as morphine and heroine — that are in dairy products, in fact they are concentrated in cheese. Of course, cheese has only about a tenth of the brain-binding power of heroine or morphine. However, there are really serious health consequences connected to cheese that most people have never realized.

"Opiate chemicals
— the same
chemical class as
morphine and
heroine — are in
dairy products."

"Despite that cheese is, in my view, addicting, it's an addiction you can break and it's much easier than quitting smoking or breaking a serious alcohol habit; and the payoff is enormous! When people get away from eating animal products including cheese, they lose weight, their cholesterol levels plummet, narrowed arteries get better.

"Giving up cheese also means avoiding a major source of hormones. Cheese comes from the milk of a cow that must be kept pregnant to give birth and keep lactating. They're producing estrogens during this period, which end up in the milk, and then are concentrated in the cheese. Thus, researchers at Rochester University of Minnesota showed that men who ate the most cheese had the worst sperm counts. And researchers in California showed that women who previously had been diagnosed with breast cancer were 49% more likely to die from their cancer if they regularly consumed cheese and butter.

"These research studies show that cheese and other fatty dairy products are linked to serious health problems, infertility in men, and risk of dying of breast cancer in women."

WITH TEDD CLAYTON, COO

I will bless the LORD at all times; His praise shall continually be in my mouth. - Psalms 34:1

Yes, YeHoVaH is doing a great work here at A Rood Awakening! International. With your help, we have been able to take “The Truth of the Gospel” to more places than ever before.

In 2017, this ministry — YOUR ministry — has taken The Word to mainland China, to the deepest rainforests of South America, the farthest reaches of Europe, the Middle East, and even to McMurdo Station in the Antarctic. And it's all because of your generous support. Some of our other works in 2017 were:

- ▶ Bringing “The Chronological Gospels” television program to the world in both English and Spanish
- ▶ Adding to our growing list of television stations, GEB America with over 25 million households in the US; and TBN Espania in Spain to reach our Spanish brothers and sister throughout Europe
- ▶ “The Health Awakening” television program with Dr. Scott Laird, bringing an understanding of health through a Biblical lens
- ▶ The creation of the MichaelRood.TV website so people can find Michael's video teachings and our live events easier than ever
- ▶ Redesigning the UnRudoDespertar.TV website so our outreach to the Spanish speaking world can be of greater impact
- ▶ The creation of “Rood Radio” so people can get truth 24/7 via internet radio
- ▶ The expansion of “Rood Review” newsletter to be more informative about what's going at A Rood Awakening! International
- ▶ The addition of Prayer Warriors Allison Terry and Bethany Hall to our partner relations staff, to serve you faster and better than ever before

But wait... we have just begun! With 2018 just around the corner, The Rood Crew is planning even bigger goals to bring The Truth to The World:

- **Taking the message of Yeshua to Asia through Goode TV**
- **Expanding our reach in the US on The History Channel**
- **Bringing The Health Awakening program to SkyAngel and Uplift TV**
- **Creating Apps for Rood Radio and Michael's live MichaelRood.TV**
- **Developing an Alexa “skill” for the Amazon Echo**
- **Providing our programming on AppleTV, Netflix, and Amazon Prime**
- **Expanding our Rood Radio Network to include radio stations all over the world**

And our list just keeps growing! Oh... and did I mention that “Passover 2018: The Marriage Supper of The Lamb” is rapidly approaching? We're planning a time of awesome fellowship and a prophetic message from some of the finest speakers in ministry today — and don't forget Michael's world-famous seder celebration on Saturday evening! I know I say this every year, but this year's event will be the BEST EVER if we have YOU here with us!

We have been able to reach the lost with the love of YeHoVaH because Michael's vision to fulfill The Great Commission is without end. Please help us continue to reach the lost with your continued financial support.

If you haven't given before, I would ask that you prayerfully consider planting your financial seed into the good soil of A Rood Awakening! International. The Bible says you will know them by their fruits (Matthew 7:20) and I truly believe that the fields are ripe for the harvest. Don't let another person go before The Almighty without hearing the Truth of YeHoVaH...

May YeHoVaH Bless...

Tedd Clayton, COO

IT'S TRUE... NOBODY WAS IN THE UPPER ROOM

Join Michael Rood as he exposes the foundations of replacement theology: NOBODY was in the upper room during the feast of Pentecost.
