# LETTER FROM *Michael*

**T**his year September 30th at sunset starts Yom Kippur – the 10th day of the 7th month. As we begin to prepare for the fall feast season, it is a time of anticipation and reflection. The fall feasts signify that which is to come, and our hearts and minds must be ready.

Yom Kippur is called the holiest day of the year. It is the Day of Atonement, “to make atonement for you before YeHoVaH your Elohim” (Lev. 23:28). In Jerusalem on this day, it is very quiet. Shops are closed. No cars drive the roads. You can walk the normally bustling streets and see almost no one. The Torah tells us to do no work on Yom Kippur and to deny ourselves and afflict our souls. This is understood to mean fasting – no eating or drinking from sundown to sundown. Yom Kippur is a reminder to YeHoVaH’s people that we need him, that salvation is through him, and our lives are to be lived for him.

On Yom Kippur, I like to spend a quiet day at home, reading and studying, and taking a reflective walk. As believers, we have the full story of this holy day and what it means to us. Through the work

of *The Chronological Gospels*, we know that on the Day of Atonement, Yeshua was on a high mountain with Kefa, Ya’akov, and Yochanan. This is where the voice from Heaven announced, “This is my beloved Son, in whom I am well pleased! Shema – hear and obey him!” And we know that in fulfillment of Yom Kippur, the Ark of the Covenant – the sign of our covenant with YeHoVaH and our atonement through the Messiah – will be revealed.

We also know that in the last days the world will be judged, and that Yom Kippur marks the end of the days of YeHoVaH’s judgment on the world. It is for this reason that we spend the day in repentance, introspection, and humbleness. It is a time to consider how we can be better individually and as a people, together. How can we better serve each other and the Father? How can we demonstrate the loyalty of our heart to our Creator? How can we strengthen our relationship with the Messiah?

We can always do better – Yom Kippur and the days leading up to it are the time to deeply reflect on exactly how. Forgiveness and atonement come from above, but we can show our gratitude, faith, and commitment to being better servants to our Father on this holy day.

Shalom,

Michael Rood

# MINISTRY MOMENT

with *Anny Reed*

This year has been one of the most exciting years to date. I have been with A Rood Awakening since 2012 and no year has compared to what has happened in 2017. We have broken every record held by this ministry since the very beginning and I would like to share those with you.

But first ...

I just got off the phone with an Army chaplain who is ordering Michael's material for his unit. He will start using the material for church and Bible study. Praise YHVH! And the week before the Army unit called, we had an Arch Bishop from a Diocese call in. This gentleman found us and had so many questions about the Scriptures. He was so hungry to understand YeHoVaH's word in a way that 30 years in the church never provided.

These are just a couple of the interactions that we have on a regular basis. There are countless pastors, preachers, bishops, church clergy, seminar students, and everyday people who call in each day with questions and a desire to learn. And it is all thanks to you!

This year we have increased as a ministry by 30% new viewers. Each month we are reaching 30x more people than before. Our YouTube video views have increased well over 25% in this year alone. Television has increased our viewership by 36,000,000 households!

The History Channel approved the content of *The Chronological Gospels Season 2* to air. While we have not committed to them yet (mainly because it is a cost of \$7,000 per episode) we have every intention to do so in the future.

Michael Rood was a guest on *Coast to Coast AM* with George Noory last month and that was an incredible opportunity for exposure. We had over a 5,000% increase in web traffic the day of the interview and 36% more phone calls from that day alone.

I had the pleasure of speaking with a gentleman who called after the interview and said, "Michael Rood shined a bright light on my life today. He answered questions no other pastor has been able to answer in my life". We spent an hour on the phone discussing

questions that no one had been able to answer for him before. He was so hungry to understand Yeshua and His real message.

This month Michael Rood will be featured on a documentary filmed by Direct TV's Audience Network. They spent months with Michael discussing prophecy and the prophetic shadow pictures in the Fall Feasts.

This year is a year unlike any other and we are not done yet. Thank you for making all of this possible. You have touched the lives of millions this year. You have transformed their world and helped them find Yeshua and YHVH. You have sown into flourishing ground.

Shalom,

*Anny*

# LETTER from *Angie*

Greetings Mishpocha (family),

As I'm sitting here stuffing the envelopes with 'Thank You' letters of your testimonies and praying over each one, I am so overwhelmed with gratitude, love, and humbleness...and every paper cut is worth it. (grin)

I know some of you are in such need. Whether it be physically, financially, or spiritually, crying out for loved ones to be awakened, or dealing with turmoil within the family, the list goes on and on. But despite all of it, you are faithful in helping get this mandate out to the Nations, and it's working!

I see many names that I have become so familiar with because of your constant support. Whether it's connecting via phone, being able to put a face to the voice and name because we've met at events, or because you have sent pictures of yourselves and your family (I love getting the newborn baby pictures), we are truly mishpocha.

And then, there are the lists of new names that are astounding in number. These new family members are the proof that your support is reaching the masses, just as YeHoVaH intended it to happen.

To the Executive Producers, Ambassador Club Members, faithful givers, supporters, and viewers: Thank you!

We absolutely could not do this without you. And as we've said before, we won't promise you riches, cars, homes, or any earthly goods. But what we can promise is that your efforts are helping reach the myriads of souls that would otherwise be lost. You are sowing into YeHoVaH's Kingdom, which holds eternal rewards.

My heart is full,

Angie Clark
