ROOD REVIEW

Shalom Torah Fans

Letter From
MICHAEL

Last month at the A Rood Awakening! International headquarters, I had the privilege of celebrating Yom Teruah with many of you. Hundreds of others were able to join us by watching online. At the event, I kicked off the new series, *Condemnation: The Jeremiah Verdict*. We are at a critical time in our nation. I believe the prophecies given in the book of Jeremiah for ancient Israel are equally as valid for the United States of America today. This is the time to heed biblical prophecy, to learn from the mistakes of the past lest we repeat them.

Recently, I also had the chance to sit down with Joel Richardson and discuss his recent trip to the Mt. Sinai area. New discoveries are being made, and they are confirming previous research into the TRUE location of Mt. Sinai. Later this year, I look forward to sharing some of these new discoveries with you in an upcoming SNL series titled *Mirage in Midian*.

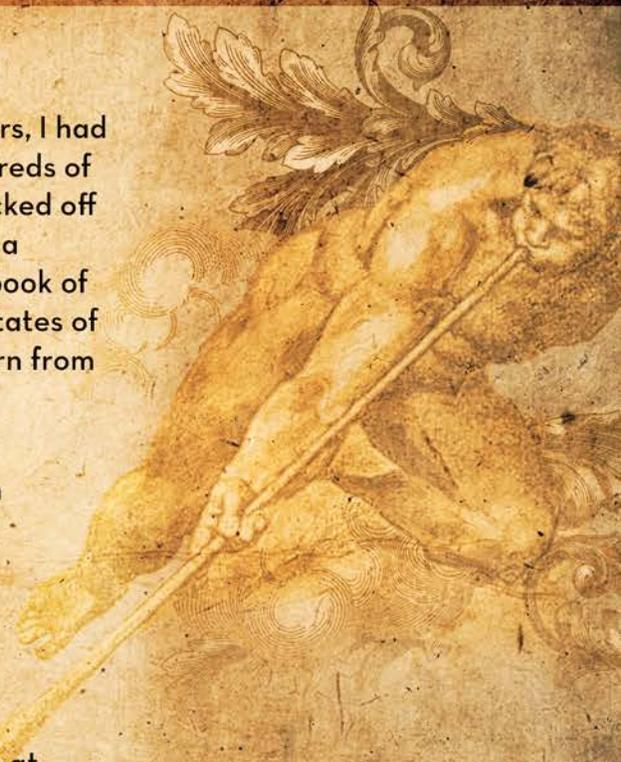

At the end of the year, I also look forward to seeing many of you at our recently announced Hanukkah event in December. This will be another time to gather together, share the truth from YeHoVaH, and pray for the state of our nation. The Bible tells us that "wherever two or more are gathered" there is power. I pray that our gathering together will be a powerful force in changing the tide of our nation.

There's a lot happening right now, and so much of it is prophetic. The Almighty is revealing truth to me, as a warning, that we should heed the prophecy of Jeremiah. We must pay attention to what is happening around the globe. Those of us who seek and know the truth have a responsibility to take that truth to the world. May we all do so in the months to come.

I'll see YOU when the smoke clears.

Michael Rood

CONDEMNATION

THE JEREMIAH VERDICT

Jeremiah's warning to ancient Israel holds true for America today: If we do not heed the awakening trump to return to our founding principles, and if we do not return to the Torah, we will soon be taken captive by our enemies.

In this 8-part teaching series, Michael delves into the book of Jeremiah with the intention of exposing how America is falling into the same perversion as ancient Israel – a much-needed wake up call to those who seek the Truth.

CONDEMNATION: The Jeremiah Verdict is a call to action. You will be inspired to fast and pray. You will discover radical new meaning in the book of Jeremiah, and you will be driven to keep the faith once delivered to the saints.

"Throw off everything that hinders and the sin that so easily entangles. And let us run with perseverance the race marked out for us."

- Hebrews 12:1

MIRAGE IN MIDIAN

In this compelling, 5-part series, Michael Rood and Joel Richardson explore new evidence that reinforces the true location of Mt. Sinai in Saudi Arabia.

Having just returned from an expedition to further explore the site, Joel Richardson brings with him fascinating, never-before-seen photographs of the pillars that form a “no trespassing” boundary around Mt. Sinai and the altar of Moses at the foot of the mountain.

Whether you’ve been studying the history of Mt. Sinai for years or you’re looking for truth for the first time, *Mirage in Midian* is packed full of details that will keep you on the edge of your seat!

THE VISION FULFILLED

When Yeshua left his apostles for the last time, he gave them a simple commission: "Go into all the world and preach the gospel to every creature." But for the apostles, it wasn't so simple.

In *The Vision Fulfilled*, Michael Rood explains how the Pharisees and even the apostles themselves struggled with the simplicity of Yeshua's words.

In this one-hour message, you will walk with Peter as he struggles to overcome generations of false teachings by the Pharisees and bring the truth of Yeshua's sacrifice to both the Jews and the gentiles.

YOUR GIFT WITH \$50 OR MORE

The Vision Fulfilled is an exclusive Love Gift teaching by Michael Rood that we will send to you as our thanks for your **love gift donation of \$50 or more** in October.

- Mark 16:15
