Shalom Torah Fans

Letter From
MICHAEL

If there's ever been a time to stand with A Rood Awakening International, that time is now. In a world that appears to reject God a little more every day, we are striving to fulfill the great commission given to us by Yeshua. As the year comes to a close, you might be considering how to allocate any funds you have earmarked for donation. I'd like to ask you to consider us. It is our goal every single day to take the truth of Yeshua to a world that is floundering, where those in leadership think the answer to our troubles is to remove God. You and I know that is not true, and we want to show the world that YeHoVaH is the answer.

One of the ways we fulfill the great commission is through our television series *The Chronological Gospels*. We are in the process of producing season three. This program has the potential to reach 150 million households worldwide, every week! We invite you to come alongside of us and serve as an Executive Producer for *The Chronological Gospels*. It takes tens of thousands of dollars per month to get our message out to the world. Every one of those dollars comes from someone like you, someone who wants to see the world turn back to Yeshua.

The Chronological Gospels: Season 3 takes a fresh look at some very old prophecies. I'll be going back to the "sign of Jonah" and examining it anew. Together, we'll look at prophecy that foretold the coming of the Messiah, how Yeshua filled every prophecy, and dispel the myth of the Good Friday crucifixion to Easter Sunday resurrection. It's essential that we present truth, because nothing is more important for a starving world than the meat of the truth.

I invite you to stand with us. We appreciate gifts of any size. When you partner with us, even for a few dollars, you are making a difference, but we would like to ask you to consider making a larger investment in this ministry. If you are able, if YeHoVaH has given you the means to give, would you consider becoming an Executive Producer for Season 3 of *The Chronological Gospels*? See details on the next page. You will be sowing into eternity by bringing an important message to a lost and dying people. We love and appreciate you, and pray the blessings of Yeshua over your life every day.

I'll see YOU when the smoke clears!

ANOINTING THE GENTILES

In *Anointing the Gentiles*, Michael Rood brings to life the dissension between the Pharisees and the apostles of Yeshua. The man-made laws of the Pharisees were drowned out by the sound of increasing numbers of Gentiles praising Yeshua. The oral tradition was dying, and a new anointing was covering the land.

You will walk with Peter and Paul through a time of great upheaval in the history of our faith. In *Anointing the Gentiles*, Michael Rood peels back the years, revealing how "Christianity" first spread, so that we might get back to the roots of our faith, roots that are clearly anchored in Yeshua.

YOUR GIFT WITH \$50 OR MORE

Anointing the Gentiles is an exclusive Love Gift teaching by Michael Rood that we will send to you as our thanks for your love gift donation of **\$50 or more in November**.
