PROOD REVIEW

THE TIME IS NIGH

WHY
WE
NEED
YOU
NOW

THIS IS YOUR OPPORTUNITY...

Dear Torah fan.

More than 50 years ago, I set out on a mission to end biblical ignorance. It's taken me a lot longer than I thought it would. I spent 20 years in the land of Israel putting together the life and ministry of Yeshua into *The Chronological Gospels Bible*. I hoped to understand it in the context of the land, the language, and the culture. It took 40 years, but I was able to successfully compile *The Chronological Gospels Bible*, which contains more than 300 incidents in the life of Yeshua in exact chronological order. Reading it this way provides cause and effect. It allows you to see why Yeshua says what he says, and when.

The process of creating *The Chronological Gospels Bible* changed my life, and it continues to change the lives of others. Following the publication of *The Chronological Gospels Bible*, I produced Season 1 of *The Chronological Gospels* television series. This series was the culmination of years of work. We put up the teachings for free on television and YouTube. We did the same with Season 2 of *The Chronological Gospels*.

**We
are now
reaching the world
in several languages.
This is your
opportunity to help,
and we thank you
in advance.**

We have freely given, and now it's your turn to freely give. We would like to produce Season 3 and Season 4 of *The Chronological Gospels*, but we will need your help.

So, I'm asking you at this time to step up. Put a shoulder to the work of the ministry. Help me help you change the world. We have made lots of materials available for you to reach out to your friends and your neighbors. We are now reaching the world in several languages. This is your opportunity to help, and we thank you in advance.

Thank you for your prayers, and thank you for your financial support.
