Letter From **MICHAEL**

Friends & Torah Fans,

Most believers consider Revelation — or more precisely, The Revelation of Yeshua Messiah — to be the most difficult book in the Bible. May I suggest that they find it difficult because they are not viewing it for what it is: A Gospel record, albeit a Gospel of the future.

Just as the first four Gospels detail the how the Messiah fulfilled the Spring Feasts of the LORD, The Revelation is the fifth Gospel that details the Fall Feasts of the LORD. Written in perfect chronological sequence, The Revelation leads the reader, step-by-step, through the legal prerequisites to the return of the Messiah.

Missing this key point is why the average pew-warmer mistakenly hopes for a pre-tribulation rapture because “Jesus could return at any moment.” He won’t. He can’t. It’s against the Almighty’s Word.

I’ve always been fascinated that most believers never pick up on this. So fascinated, in fact, that I’ve studied The Revelation to the point that it has become the easiest book for me to understand. I want others to see it plainly, too. That’s why I dedicated the entire second season of The Chronological Gospels Show to explaining The Revelation. It’s not so much the text that’s difficult

but reading between the lines to understand the parable-like language, which is explained in the notes portions of The Revelation in The Chronological Gospels Bible.

The Revelation is written in three parts:

- 1. The things that you have seen**
- 2. The things that are “now”**
- 3. The things that will be hereafter**

I want you to understand The Revelation like I do, so I’ve asked our team for something special. Our 2018-19 calendar, which comes out this Passover, will feature 14 “secrets” of The Revelation, taken directly from the contextual notes portions of The Revelation in The Chronological Gospels Bible.

If you’re coming to our Passover extravaganza March 30 to April 1, you’ll have the first opportunity to own this new calendar. But if you want to pre-order it now, see page 7 of this newsletter and call our partner services team to reserve your copy.

Perhaps the biggest secret of all, however, is that if we do not understand the Feasts of the LORD, our understanding of the first four Gospels will remain shallow — but the fifth Gospel will be impossibly confusing.

Shalom

Michael Rood

AMBASSADOR CLUB

BRING IT TO THE **WORLD!**

The Ambassador Club started in 2013 as a means to air Michael Rood's message of YeHoVaH on television around the world. In just a few short months, over 130 countries around the world were watching Michael Rood, thanks to our Ambassador Club members.

Here at A Rood Awakening! International, our mandate is to take the Gospel of the Kingdom to the whole world as a testimony to all nations — and we do not take this command lightly. Our Ambassador Club members understand the importance of reaching the unbelievers, the lost, and the confused.

So, for 2018, we are reinforcing the Ambassador Club's original mission: To take the Gospel of the Kingdom to all the world. As an Ambassador, you provide others the opportunity to hear the same message that led you along your own journey of truth. Our hope is to empower you as a member of the Ambassador Club to fulfill your mission in reaching the nations with YeHoVaH's Word!

An Ambassador Club member is an evangelist with the heart of a true prophet, and the goal to direct others back to Torah. Michael Rood, the Rood Crew, and our Ambassadors work together to bring people back to Yeshua's true message for our lives and YeHoVaH's Kingdom.

We're excited to see what YeHoVaH has in store for this ministry in 2018 and want nothing more than to have you partner with us as an Ambassador Club member at this exciting time!

As an Ambassador Club Member, your monthly donation of \$100 or annual donation of \$1,200 will help to fund A Rood Awakening! International's mission to take the Gospel into every nation through means of television, internet, and radio.

Join us as we bring the Gospel of the Kingdom to all the world — become a member of the Ambassador Club!

Letter From ANGIE

Greetings "Mishpocha" (Family).

Every day at A Rood Awakening! International, we send out 'Thank You' letters in hopes that you, our family, are inspired by the testimonies, just as we are. We often do not understand the positive impact these letters can have...

Dear Rood Crew,

Thank you so much for the inspirational letters.

I must admit, I thought they were 501c3 (IRS charity) type letters — which I don't use — and I chucked them. Man, what I've been missing! Now I make sure to open everything you all at ARA send me.

One of the latest was a woman who had a very painful wrist and she had a dream where Yeshua directed her to The Chronological Gospels Bible and she was healed! Faith is a difficult road, which is why our Father promises great rewards. But faith isn't supposed to be blind. We have many resources at our disposal: prayer, fasting, Scripture, the Ruach Kodesh and each other, as well as testimonies such as the one referenced above. These really helped me.

Thank you for providing such assistance. I wish I hadn't been so careless with the mailings in the past. At times, your effect on all of us out here struggling against the tide of the enemy may seem like it's not penetrating and expanding. But I can assure you it's very much like the Creator of the Universe —while invisible to the eye, it is powerful and everlasting to our souls. Keep up the great work!

M. Scott M.

ARA supporter and Torah fan!

M. Scott, you have made our hearts glad. We appreciate you for your love and support, and are happy you opened the 'Thank You' letter. It puts a smile on our faces. We love you!
