LETTER FROM *Michael*

*Keep Your
Eyes on Yeshua!*

As Stephen was about to be stoned, he looked up “steadfastly” into heaven and saw the glory of YeHoVaH and Yeshua standing on the right hand of YeHoVaH (Acts 7:55). He kept his eyes on Yeshua, literally. In so doing, his last moments also teach us something about keeping our eyes on Yeshua in a figurative sense.

The truth is that Stephen was being stoned for turning people away from Pharisaical nonsense, not because he spoke against the Torah, of which he was falsely accused in Acts 6:11. In fact, he stood up for the Torah by doing what Yeshua (the Living Torah) did: Purposefully and vehemently

Stephen was being stoned for turning people away from Pharisaical nonsense, not because he spoke against the Torah, of which he was falsely accused in Acts 6:11.

disobeying the Pharisees to demonstrate that their rules and regulations have no authority and only enslave the people, keeping them from obeying the TRUE Torah in spirit and truth.

Stephen spoke against the Pharisees’ nonsense, their “oral Torah” – the flaming hoops that everyone was forced to jump through to be considered righteous. No one could tell the difference between the laws of the Pharisees and

the laws of YeHoVaH anymore. That’s why Stephen confronted the synagogue leaders of the Libertines, Cyrenians, Alexandrians, and those of Cilicia and of Asia (Acts 6:9). And that’s why they enticed false witnesses to accuse him. They needed to get rid of him because he was freeing the people from the Pharisees’ control by telling them to keep their eyes on Yeshua.

That Pharisaical system lives on today in rabbinical Judaism, which often ensnares believers who are searching their roots, earnestly contenting for the faith once delivered to the saints. The oral Torah recorded in the volumes of rabbinical commentary is regarded in Judaism as equal – or greater than – the Torah of YeHoVaH. They build regulatory fence upon fence until no one knows why they do the things they do in the name of being “righteous”.

Manmade Christianity is just as guilty, muddying the Word with commentaries and loose translations, skewing and complicating the definition of sin itself. Sin is no more than transgression of the Torah! But if we steer ourselves away from listening to what Yeshua said and doing what Yeshua did, we forget this and are in danger of becoming, “twice the son of hell” as those who distract us (Matthew 23:15).

Stephen was “full of faith and power” and “did great wonders and miracles among the people” (Acts 6:7) because he kept his eyes on Yeshua. May we do the same until we are gathered and rewarded on the sea of fire and glass.

A LITTLE CHILD *Shall Lead Them*

With Special Guest “Gigi”

We adults complicate things. We think too much. We analyze too much. And in the process, we miss the point. No wonder Yeshua said, “Whoever humbles himself as this little child is the greatest in the kingdom of heaven.”

In this special episode of Shabbat Night Live, 10-year-old “Gigi” will inspire you to slow down, simplify, and keep the Torah as it is meant to be kept – with the straightforward trust and comprehension of a child.

Her modest YouTube channel, “GigiCanDoThatTorah” is gaining the attention of sophisticated scholars around the world with a message that is so simple, it just might work! You will be amazed at the candor, brilliance, and profound wisdom in this awe-inspiring conversation fit for the end of days.

“The wolf also shall dwell with the lamb, the leopard shall lie down with the young goat, the calf and the young lion and the fatling together; and a little child shall lead them.”

- Isaiah 11:6

WHY YOU SHOULD JOIN

The Ambassador Club

.....
Our “Ambassador Club” is a group of strong, committed, ‘boots on the ground’ believers who ask nothing in return, except to get the message of our beloved King Yeshua to the nations.
.....

The title “ambassador” in Hebrew is ‘Tsir’. Like most Hebrew words, it has a few meanings, one of which being “messenger.” A messenger in this context is one who is appointed by YeHoVaH to declare His will.

Being a messenger may sound like a humble vocation, but it’s quite the opposite! If harm comes to a messenger of the king, it is regarded as harm to the king himself. As messengers for the King of Kings, we are highly valued indeed – and as such, our King fights for us as we deliver his message!

Here at A Rood Awakening! International we have such a group of messengers. Our “Ambassador Club” is a group of strong, committed, ‘boots on the ground’ believers who ask nothing in return, except to get the message of our beloved King Yeshua to the nations. Without their dedicated, financial support each month, we absolutely could not accomplish the mission YeHoVaH has commissioned us to do.

Indeed, to deliver the Good News on a global scale to see lives changed for the Glory of our Master takes real world expenses. Would you consider helping with those expenses? Would you consider coming on board as an Ambassador to push Yeshua’s message to the ends of the earth? Please pray about it and allow His spirit to guide your decision.

We still have a lot of territory to take back from the adversary. The Ambassador Club is your opportunity to claim a first-hand role in doing just that! It’s very easy and affordable. You can give **\$100 monthly or an annual donation of \$1200**, whichever fits your budget and however Ruach leads.

Allow me to encourage you to “put on your boots” and take on your role as an Ambassador, in honor of Yeshua.

Shalom and Love,
Angie

When you become an Ambassador Club member, you will receive this pin as our thanks for your commitment. Let it be a reminder that you are indeed an Ambassador, a messenger who declares the will of the King of Kings.
