# THIS IS IT!

.....

**If this ministry has helped to change your life; if you want to do something in return; if you want to know how you can help change more lives...this is it.**

.....

*Dear Torah fan,*

I need to talk to you about something. You know that we sink every dollar of your donation into getting the Gospel of the Kingdom out to the world. We don't buy Lear jets. We don't build mega-churches (though we have a mega-church online every week). We broadcast Yeshua's teachings. And that does not come without great expense. You may get to watch it for free, but behind the scenes there are expenses like buying airtime so that you can see the program, cameras, lighting, computers, salaries, and everything else it takes for you to see what you see each week.

Specifically, the broadcast cameras that we use have a 2- to 3-year lifespan – that's just the nature of broadcast technology. Our current cameras are now 6 years old, and every day we are thankful that they still work. If you want us to continue providing YeHoVaH's truth to networks around the world, we need to act now to replace our failing equipment. And since you are this ministry's only sponsor, I'm coming to you to ask for help. How much you give is between you and the heavenly Father. The only thing I ask is that you be serious about it. I shouldn't have to take out a loan from a bank – nor will I. Be honest with yourself and be honest with the Almighty about giving your very best. You give your best at your workplace. You give your best to your family. Giving your best to the Almighty for what he is doing in your life through this ministry is your reasonable service.

Thank you in advance,

Michael Rood

# Eat Your Food While IT'S STILL LIVING

By Scott Laird, ND

This month on Shabbat Night Live, Michael Rood is speaking with Kent Hovind, a man who has become world famous for teaching brilliant-yet-simple sense that debunks the evolution theory. In other words, “we didn’t come from rocks” as Hovind quips. Ironically, most of us don’t think about this “life begets life” principle when it comes to what we eat and yet “living” food – raw, whole, plant-based food – is the ideal way to provide “life” to our bodies.

The life force in each raw, living plant creates a unique signature of enzymes, phytonutrients, minerals, and other nutrients. This signature creates an energy pattern that transfers the plant’s living energy to the human body when consumed. Thus, ingesting plants is literally ingesting “life”! Cooking above temperatures of 122°F breaks down the plant’s energy pattern, making it less effective and less beneficial. However, certain beneficial phytochemicals, such as lycopene and carotenoids, are activated by the cooking process.

The fact remains that raw foods are, in more ways than not, superior as they have their own enzymes (life force); each raw, uncooked fruit, vegetable, nut, or seed contains enzymes that will digest the food in which they are contained. Cooked foods (and processed foods) are devoid of enzymes and thus rely on your body’s own pancreatic enzymes

for digestion – and the more your body has to generate its own enzymes, the more stressed it becomes, which leads to inflammation and disease.

So, get more living food into your body. In fact, if you get enough living (i.e. raw) food into your body to address deficiencies while getting rid of toxins at the same time, you can actually turn the tide of disease symptoms. Symptoms of cancer, for example, can

and do disappear this way. Symptoms of clogged arteries disappear this way.

Symptoms of painful deposits in joints and bones dissolve this way. Even symptoms of emotional and neurological disorders can be lessened or even halted altogether. All you have to do is provide the body what it needs to do the job: **Give it LIFE!**

# TEACHINGS IN JUNE

Debate and speculation over the Almighty's creation is much more than opinion – it is the cornerstone of destruction, an epic battle for the minds of men to choose between Satan and God. This important series with Michael Rood and Kent Hovind serves as both a warning and a weapon in a battle of the mind for every believer.

# YESHUA WAS [WISE]!

## Building a fellowship based on the **CHARACTERISTICS OF YESHUA**

By Matthew Hall,  
Director of Aviv Fellowships

One thing we know about Yeshua (Jesus) from reading the scriptures is that He was wise. So, in an effort to become more like our Messiah, how do we become people who exercise wisdom in a world of foolishness?

The book of Proverbs was written around 970-930 B.C., so it's likely that Yeshua used it as a guidepost for helping people understand and implement wisdom. My family wants to follow in the footsteps of Yeshua, so we also look to the book of Proverbs for easy, commonsense instructions on how to exercise wisdom in a foolish world.

**"Wisdom calls aloud outside; She raises her voice in the open squares . . ."**

**- Proverbs 1:20**

Through the Holy Spirit, wisdom can empower the believer to make good and righteous choices that lead to a full and rich life. Alternatively, a person with no wisdom brings to himself many consequences, including foolishly pursuing the ways of evil.

God states, in no uncertain terms, the things he especially dislikes. So in order to become wise according to Scripture, we need to do the opposite of what He hates:

|                       |   |  |
|-----------------------|---|--|
| <b>PROVERBS 6:17</b>  | <b>Unwise:</b> A look that is proud                         | <b>Wise:</b> Don't show pride in on your face.             |
| <b>PROVERBS 6:17</b>  | <b>Unwise:</b> A tongue that is full of lies                | <b>Wise:</b> Don't have a lying tongue.                    |
| <b>PROVERBS 6:17</b>  | <b>Unwise:</b> People who kill those who are innocent       | <b>Wise:</b> Don't kill the innocent.                      |
| <b>PROVERBS 6:18</b>  | <b>Unwise:</b> People who set their heart to devise evil    | <b>Wise:</b> Don't devise evil in your heart.              |
| <b>PROVERBS 6:18</b>  | <b>Unwise:</b> Those who indulge in mischief                | <b>Wise:</b> Don't indulge in mischief.                    |
| <b>PROVERBS 6:19</b>  | <b>Unwise:</b> False witnesses                              | <b>Wise:</b> Don't be a false witness.                     |
| <b>PROVERBS 6:19</b>  | <b>Unwise:</b> Someone who seeks to split up relationships  | <b>Wise:</b> Don't seek to split up relationships          |
| <b>PROVERBS 15:8</b>  | <b>Unwise:</b> Sacrifices offered by those who are evil     | <b>Wise:</b> Don't offer sacrifices to those who are evil. |
| <b>PROVERBS 17:15</b> | <b>Unwise:</b> Someone who protects those who do evil       | <b>Wise:</b> Don't protect those who are evil.             |
| <b>PROVERBS 17:15</b> | <b>Unwise:</b> Those who condemn the guiltless              | <b>Wise:</b> Don't condemn the guiltless.                  |
| <b>PROVERBS 20:10</b> | <b>Unwise:</b> Those who cheat people through false weights | <b>Wise:</b> Don't cheat people using false weights.       |

I hope this explanation give you a clearer picture of what it takes to become wise in world that is full of foolishness and rebellion.
