LOVE GIFT – DIVINE APPOINTMENTS

# *It's time to* FINISH THE JOB!

*TORAH FANS, TODAY WE ARE TO FINISH THE JOB THE APOSTLES STARTED. THIS IS OUR OPPORTUNITY. BUT IT CAN ONLY BE THAT WAY IF WE GET OUR ATTENTION OFF OF OUR OWN PROBLEMS AND GET OUT THERE.*

*Dear Torah fan,*

In the next few months, in our monthly Love Gift teaching series, I want to take you through the Book of Acts. This book is the “advanced course” Yeshua began (to do and teach) in his own ministry and then, through the spirit, he continued to teach others through his sent ones. By his spirit, he taught the apostles to work beyond what their human minds could fathom. He gave them revelation. These were not people with some great gift for teaching – they were literally washing dishes and yet they turned the world upside down.

THIS IS OUR TIME. WE EITHER CHANGE THE WORLD NOW OR THE WORLD IS GOING TO CONTINUE CHANGING SO FAST WE WON'T BE ABLE TO KEEP UP WITH IT — THE PERSECUTION WILL BE MORE VIOLENT THAN THE WORLD HAS EVER SEEN.

Torah fans, today we are to finish the job the apostles started. This is our opportunity. But it can only be that way if we get our attention off of our own problems and get out there. We can't wait for deadly persecution to spur us to get off the couch, get out there, and wake up the world; now is the time.

We have more biblical information at our fingertips than any other generation has ever had. I've had the opportunity to read the King James Version 20 times as many years as the translators had to write it. You've had similar opportunities. We have the Word of YeHoVaH in our language in our hands and even have notes on the original languages handed to us. No one has ever had a wealth of biblical information like this.

We have it all. We need to take it to heart and get out there and do what Yeshua did and speak what Yeshua spoke. We need to obey him now, or else that which we have been given will be taken away from us. To those who use what they have, more will be given. But if you don't use what you have, even that which you have will be taken from you.

This is our time. We either change the world now or the world is going to continue changing so fast that we won't be able to keep up with it — the persecution will be more violent than the world has ever seen. It's up to us to make a difference right now and to go to the grave giving it everything that we've got.

# TEMPLE TREASURES EXHIBIT

*An awe-inspiring attraction is now open at the world headquarters of A Rood Awakening! International in Charlotte, North Carolina.*

The Temple Treasures Exhibit is a collection of remarkably accurate scale-model replicas of the Second Temple's most precious furnishings. The Ark of the Covenant, the Table of Showbread, the Menorah, and the Altar of Incense are all represented.

Each model was made using a combination of exacting specifications from the Torah, ancient temple records, and the eye-witness account of the late Ron Wyatt.

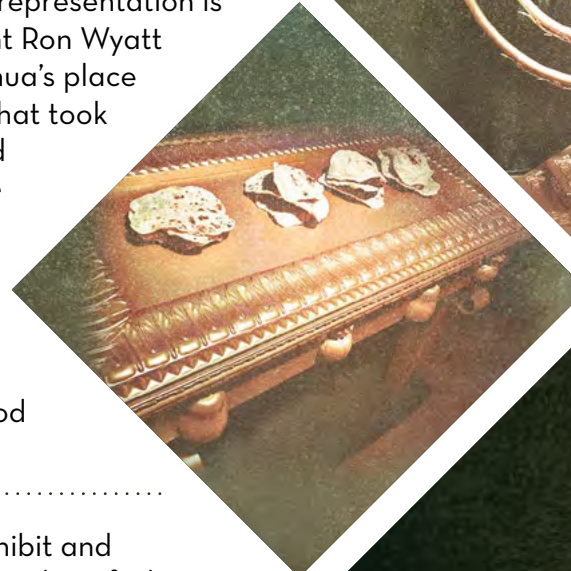

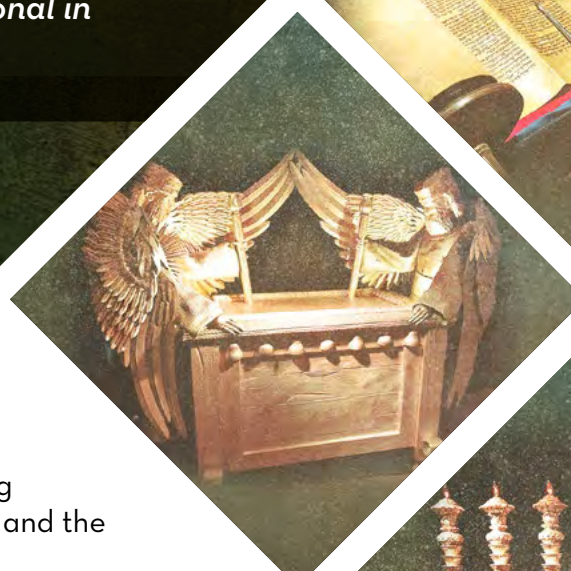

The Ark of the Covenant is of particular interest. This representation is a near-exact 1:1 scale model of the Ark of the Covenant Ron Wyatt saw with his own eyes in a secret cavern beneath Yeshua's place of crucifixion, Golgotha. It is an amazing piece of art that took months to build, featuring tooled metal feathers, wood carvings, and exquisitely detailed cherubim. This is the world's only actual size model of Ron Wyatt's eye-witness account of the Ark of the Covenant.

Inside the Ark of the Covenant model are representations of the stone tablets bearing the Ten Commandments, a container of manna, and Aaron's rod that budded.

A slideshow at the exhibit leads guests through the exhibit and provides behind-the-scenes information to give a better idea of what each of these treasures represented and where they were placed in the Temple.

# TEDD TALKS

WITH TEDD CLAYTON, COO

.....  
*In May, we went live with our new channel on RokuTV, and launched a new app for AppleTV, Apple iOS, and Android.*  
.....

*Hello Dear Friends and Partners...*

Well, here we are at the middle of 2018 and I just wanted to update you on some of the things that are happening here at A Rood Awakening! International. In my beginning-of-the-year report, I called 2018 the year of expanded ministry. We are working tirelessly with our new media partners to take the “True Gospel” to all the nations. We have expanded our reach dramatically.

In April, we announced our new initiatives with MichaelRood.TV. Then, in May, we went live with our new channel on RokuTV, and launched a new app for AppleTV, Apple iOS, and Android. In June, we announced our new Amazon Fire App and, to top it off, you can now listen 24/7 to Rood Radio on our new Alexa Skill utilizing The Amazon Echo. Just in Amazon Echo listeners alone, we have expanded our reach to over 20 million devices. This is simply amazing! Our team of skilled technicians lead by Matthew Hall have done some amazing things. Our reach in new media is now over 100 million strong and still growing!

Next on the list is to get Michael’s message of truth to Amazon Prime Video. Yes, on the same place you watch your movies, you will now be able to see great teachings like *The Chronological Gospels* and *Shabbat Night Live*. As soon as we have Amazon Prime up live, we will announce it to you.

On the TV front, Anny Reed, our Director of Ministry Development, has been in negotiations with several TV networks, like FaithTV and many others, to bring this ministry to a new viewership level unlike ever before.

Internationally, our Director of International Ministries, Analil Mora, has expanded our reach into many different languages. Our Chinese interpreters have now completed programs to air in Asia, literally covering the Earth as the waters cover the sea.

Also in May, Michael announced our new initiative to raise money for new cameras. Our cameras are over 6 years old with a normal life span of only 3 years. In short, they are old and past their prime. Our engineers must work tirelessly to keep the picture looking good and keep them operational. Ladies and gentlemen, we are not asking for millions of dollars like other ministries to replace our cameras. In fact, we need \$87,000 to buy new 4K cameras. Just think, if 87 people could give \$1,000 or 870 people could give just \$100 toward these cameras, we could have them in no time! No Lear jets. Just the tools we need to keep the gospel going to all the nations.

With your help, if this is what we can do in the first half of 2018, imagine what we can do in the second half of 2018. It’s your continuous support that makes this ministry chase the bounds of modern communication so that people of every nation can hear the Gospel of Yeshua. If you haven’t considered giving towards our new cameras or our other initiatives, please prayerfully consider doing so. You are our ONLY sponsors, as Michael says. May YeHoVaH bless you and keep you as we move into the second half of 2018.

*...No Lear jets. Just the tools we need to keep the gospel going to all the nations.*
