ROOD REVIEW

HOW TO STUDY THE BIBLE

Shalom Torah Fans,

We are about to produce some of the best quality teachings you have ever seen — literally! With new cameras, our Love Gift teachings, Shabbat Night Live programs, and everything else you watch from A Rood Awakening! International will soon be of the highest quality ever. That quality will turn the heads of big-time television networks who can spread the Gospel of the Kingdom to the ends of the earth.

We're not there just yet. In fact, we're about \$20,000 shy of the \$77,000 goal.

That may sound like a lot, but all it would take is 200 people giving \$100 above and beyond their regular donation — just ONCE — to make it happen.

If that can be you, great! Thank you in advance.

To be blunt, we really need to get those cameras rolling:

- Our old cameras are literally being held together with baling wire and duct tape!
- The lenses don't all have the same color range, making post-production a nightmare.
- Our old cameras are over 6 years old and they have a life expectancy of 3 years.

Again, all we need is 200 people to give just \$100 above and beyond.

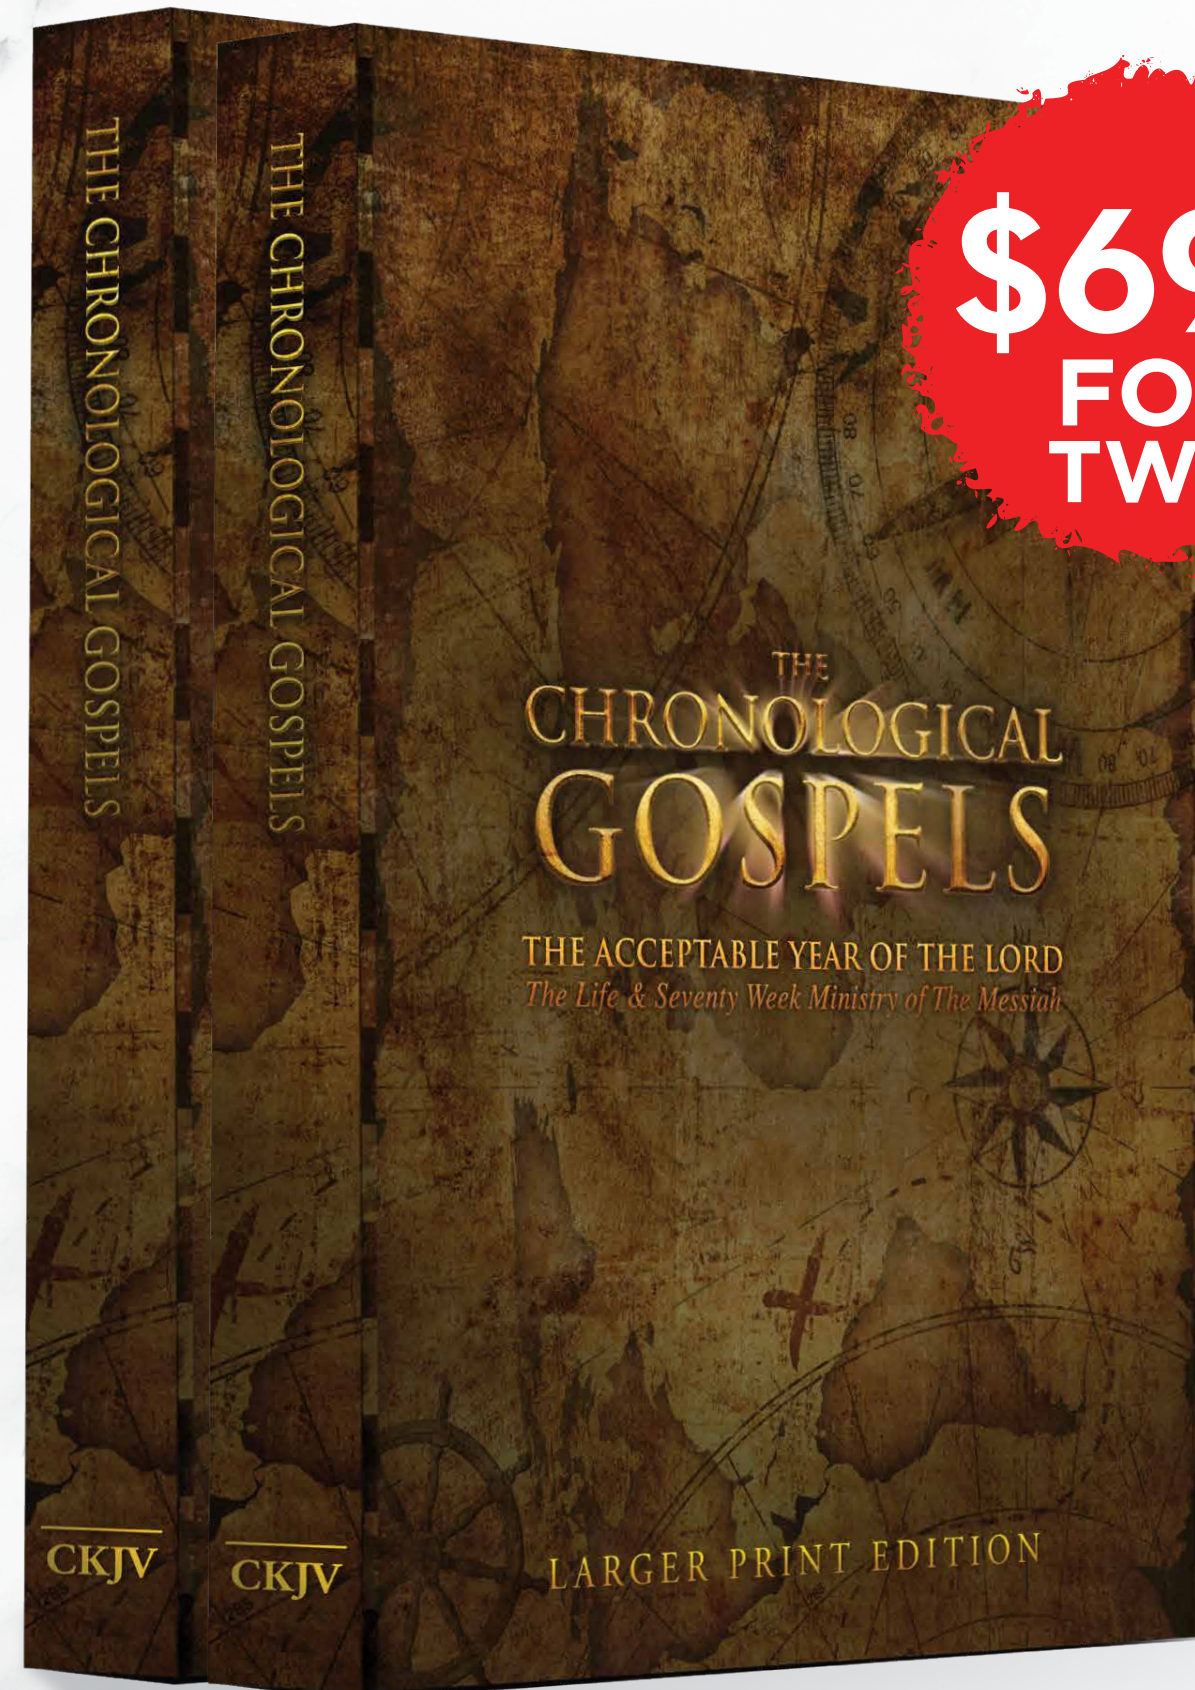

THANK YOU for standing with us! We hope to be back on the air with some equipment that we can depend on — so that you can always depend on us.

You can give your gift at **ARoodAwakening.tv/Cameras** or call our partner services team at **888.766.3610** and tell them you want to help with the cameras.
