ROOD REVIEW

THE PRELUDE TO GREATNESS

Shalom Torah Fans

Letter From
MICHAEL

I really miss my home in the Galilee. Every Shabbat, believers from the community would get together and pack the house for a time of intimate fellowship. We would gather together and study scripture, sing a few songs, and share the things YeHoVaH had shared with us. It was informal. There were no name tags needed – just believers feeding one another. This fall, I was able to experience that again on my road trip. I met with some of our Aviv Fellowships and we packed out the “house.” We didn’t have lights, cameras, or makeup – just the Bible. We got back to the basics and we fed one another.

As we move into the new year, consider starting, or joining, an Aviv Fellowship for yourself. These small gatherings of believers are far more important than we currently understand. The synagogue began with home fellowship. In the book of Acts, the believers first met in their homes. They didn’t have churches, cathedrals, or any dedicated spaces. The believers met where they could and fed one another. They shared their strengths and weaknesses, their triumphs and failures. They ministered to one another. This intimate ministry is crucial to the health of the body of believers in Yeshua.

A healthy flock of believers, one that is fed from the rich meat of biblical Truth, will be ready to take on the world. You will be strong, courageous, and blessed. By honoring the command to gather together, to keep the Feasts of the LORD and commune with believers, you will walk in the favor of the Almighty. We want you to experience this favor, so we encourage you to find a community of believers. Gather in someone’s living room and spend some time with the Almighty. You’ll be amazed what He can do with sheep who are properly fed.

May the year 2019 bring you blessings beyond measure. May you seek absolute Truth and settle for nothing less. From those blessings, we hope you’ll continue to freely give to A Rood Awakening! International. You are our most valuable asset, and it is because of you that we can share the Truth of YeHoVaH with the world. It’s going to be an exciting year. I have so much to share with you and your local Aviv Fellowship. Stay tuned, and stay connected.

I’ll see YOU when the smoke clears!

TURN ROCKETS INTO ROSES

Your donation turns **BOMBS INTO** **BOMB SHELTERS!**

Every year, an average of 1,000 terrorist rockets rain down on Israel. An entire generation of Israeli children have grown up knowing they have just 15 seconds to escape to a bomb shelter once they hear that awful sound of the siren.

This month, Michael Rood is doing something special for Israeli families caught in this terrible trap, and you can be a part of it.

For the month of January, when you give a one-time donation of \$250, Michael Rood will send you a one-of-a-kind, 7-inch-tall sculpture made from fragments of exploded kassam rockets that were fired into southern Israel.

Holding this sculpture in your hands is an emotionally powerful experience. To know that this beautiful work of art, once an instrument of death, is now saving lives is truly the work of the Almighty – and by donating to make it happen, you are doing His work!

A portion of your \$250 donation will be used to create above-ground, portable bomb shelters in the town of Ashkelon, a large city with relatively few bomb shelters!

HELP PROTECT ISRAELI FAMILIES!

Donate **\$250** to receive
one of these sculptures.

JANUARY LOVE GIFT

UNAFRAID

In this turning-point teaching, you will walk with Paul and Barnabas as they press on, taking the truth of Yeshua to a very hungry world. However, the wider they spread the message, the more resistance they encounter.

Unafraid is a message that will encourage you to do more than just believe in Yeshua. In the early days of our faith, Paul and Barnabas had to step out, often at the risk of their own safety, to stand up for what they knew to be right.

For the apostles, they had reached a fork in the road. It was time to decide whether to continue follow Yeshua down an unknown path, or revert back to the man-made, pharisaical law under which mankind is always destined to fall short.
