ROOD REVIEW

GET READY FOR PASSOVER

Letter From **MICHAEL**

Shalom Torah Fans,

Every year at this time, a spirit of anticipation fills the halls at the headquarters of A Rood Awakening! International. It's time to prepare for the most significant event in the ministry of Yeshua: Passover. This year, we will be celebrating the feast with an event in Charlotte, NC from March 22 to 24, and it's one you don't want to miss!

At Passover 2019, Nehemia Gordon and I will reveal new information about the split rock at Rephidim, the Gihon Spring, and the Pool of Siloam that shows the hand of the Almighty in a powerful way you've never heard before! YeHoVaH has put His mark on our world in so many ways, leaving us with tangible signs of His sovereignty and supernatural ability. You don't want to miss these new discoveries, including what they may mean for end time events.

In addition to all of this, I am particularly excited about something that has just been added to our Passover event – a precious gift from my friend, filmmaker Tim Mahoney. Tim is the man behind what I consider to be the most important biblical documentary of all time, *Patterns of Evidence: The Exodus*. His new documentary, *The Moses Controversy*, explores the hotly debated argument that Moses was not the author of the Torah. This documentary will have just completed its theatrical release (March 14, 16, and 19 at a theater near you) when Passover comes, but Tim has made special arrangements to GIVE you an additional opportunity to see it at Passover 2019!

This will be a private, exclusive screening not granted to anyone else. In fact, Tim refused thousands of dollars owed to him for such a screening because he felt very strongly that those who attend our Passover event would appreciate the importance of the film's subject matter. I have seen the rough cut myself and I think it is absolutely brilliant! I strongly urge you to see it in your local theater, and then watch it again with us when you come to Passover.

Join us at Passover to partake in the seder, to restore your spirit, and to learn from some of the best teachers on the planet. Every year, I look forward to spending this weekend with you. I have so much to share, and I hope you're ready to receive a fresh word from the Almighty.

I'll see YOU when the smoke clears!

Michael Rood

STAND

In these tumultuous times, we are all called to "stand". As Paul says in Ephesians 6:13, "Therefore put on the full armor of God, so that when the day of evil comes, you may be able to stand your ground."

Stand is Michael Rood's Love Gift teaching for February, a walk through Paul's early ministry that highlights the struggles that come with throwing off your old life and living for Yeshua.

As we look at Paul's walk, we see a reflection of today's world. The "Pharisees" of today refuse to see the truth, and this teaching makes direct comparisons between those who persecuted Paul and those who are persecuting believers today.

YOUR GIFT WITH \$50 OR MORE

Stand is an exclusive Love Gift teaching by Michael Rood that we will send to you as our thanks for your **love gift donation of \$50 or more** in February.

OR

YOUR GIFT WITH \$100 OR MORE
