ROOD REVIEW

THE WATERS OF SALVATION ARE UPON US

Letter From **MICHAEL**

Shalom Torah Fans,

As I write this letter, we are pushing forward at the A Rood Awakening! International offices with several major events and announcements. On March 22 - 24, we will host our annual Passover event in Charlotte, NC. I look forward to this event every year, because we have the opportunity to study, worship, and even eat together as a whole body of believers. Coming together in the name of Yeshua is a great privilege, and we must never take it for granted. The world is groaning with the birth pains of revelation, and we must constantly lift each other up in prayer as we seek His truth. Which leads me to some exciting news I want to share with you.

Starting March 8, *The Chronological Gospels: Season 2 - Revelation* will begin airing on The History Channel, Fridays at 6:30am. This comes as the result of hours and hours of work, the generous donations of those who felt led to support the initiative, and fervent prayers that this message be allowed to air to this previously untapped audience. The History Channel reaches about 96 million households in the US alone. This gives us 96 million opportunities to show someone the unwavering truth of Yeshua. We ask that you continue to pray for those who will watch these 13 episodes of *The Chronological Gospels*. May their minds be open and their hearts be changed.

I'm also very excited to share this month's love gift, *The Road to Antioch*. This month's gift follows Paul and Barnabas on their journey to find His truth. These two Apostles were the first to show us that we must seek truth at any cost – even if we have to lose a few friends. Or a lot of friends. The message that Paul and Barnabas spread was controversial. The Pharisees did not appreciate having their methods questioned and their carefully constructed laws ignored by the radical followers of a radical Messiah. However, we have to be radical. We have to teach what is true, not

It is my prayer that you stand for truth, no matter what it costs. I look forward to breaking bread with you at this year's Passover event. If not, I'll see YOU when the smoke clears!

THE ROAD TO ANTIOCH

In the midst of disagreements with other followers who just couldn't handle the task of preaching a message so radically different, Paul and Barnabas set off alone to Antioch. Now, with a following of their own, they are greeted with excitement or derision wherever they go.

In *The Road to Antioch*, you will see the beginnings of a great division that exists today and centers around this question—did Yeshua come to do away with the Torah, or fulfill it?
