DISOBEDIENCE GONE VIRAL

MAY 2020

SHALOM TORAH FAN

As recorded in the book of The Revelation, Yeshua warned his servants that the rider on the pale green horse would go forth to kill with "therion", defined as "that which has life" (biological weaponry, most plausibly). Our world's current experience with therion should have been powerless. In fact, it would have been powerless if only YeHoVaH's commandments had been taught to the Shinim – the Chinese (Isaiah 49:12) – and to Christians around the world. All they had to do was follow in the footsteps of the ONE Jew who sent his Jewish apostles to instruct Jew and Gentile alike in his eternal kingdom's rules: The Torah – the rules he said would never pass away nor be destroyed.

Over the centuries, Gentile converts, unwilling to put away their pagan proclivities, have twisted the Scriptures to satisfy their flesh. As it is written, "their God is their own belly" (Philippians 3:19). They added to, or so deviously and deliberately mistranslated the Scriptures, that they became complicit in not only the murder of innocent Jews, but the poisoning and death of millions of Christians who were misled into believing a lie about Paul's letters, making them weak, sick, and putting them in the grave long before they had a chance to wake up and fulfill their calling. It is still happening today.

Contrary to the average Christian's belief that the Messiah nailed the Torah's dietary instructions to the cross, God DID NOT sanctify dog, pig, cat, rat, bat, snakes, snails, and puppy dog tails in the New Testament! Specifically, the illustration in Acts 10 of the "sheet from heaven" was intended to challenge Peter's understanding of WHO (a Gentile) not WHAT (food) was "unclean".

Keeping the Feasts of YeHoVaH and eating clean are mandatory for the entire planet when we reign and rule, (educate and judge and execute compliance) as priests and kings with Yeshua in the thousand years when satan is incarcerated. Afterward, satan is released and leads a final rebellion which results in the destruction of the heaven and earth that now is... and the creation of a new heaven and earth that will be eternal.

*See you
when the smoke clears,*

THANK YOU

FROM YOUR ROOD CREW FAMILY...

This year's coronavirus outbreak has affected so many lives. Just doing simple tasks like going to the market, getting gas for your car, and so many other things that we have taken for granted for so many years now can truly create life-changing events. If you listen to the daily news broadcasts, I could see how you would lose hope.

But I would like to focus on the positive, the genuinely great things that have come out of this very unfortunate time. Here at A Rood Awakening! International, we have stretched our capacity more than we would have ever thought imaginable. Our team of ministry professionals that you affectionately call "The Rood Crew" has taken technology to a whole new level:

- Our video producers and editors continue on, working long distance from home, connected to our systems at the main office in Charlotte.
- Our partner services team is doing the same, answering the phones and taking prayer requests from their living rooms.
- Our web department is taking full advantage of the quarantined masses' intensified focus on the internet, managing our websites and staying in touch with partners throughout the world.

- Our fulfillment team insisted on coming in to get your packages to you in a timely manner (a HUGE thank you to them).

- ...and yes, Michael is teaching from his "undisclosed bunker" via long distance fiber connection to our broadcast facilities here in Charlotte. Even last month's Passover 2020 online event was a major technology event.

*"taking technology to _____
_____ a whole new level"*

All of this could not have happened without our wonderful team. I am so honored to work with such a talented group of believers. But all of this, all the technology, all the great people working with us, everything, would not be possible if it were not for YOU. When you stand with Michael, you make a difference in this lost and dying world. Without your prayers, sacrificial giving, and support, this ministry would not be here — especially now. So, to YOU — all our partners, all our Executive Producers, all our Ambassador Club members — we say **THANK YOU**.

THANK YOU for everything you have done to support this ministry. After all, this ministry truly is a team effort, and you are a huge part of that. You are on the front lines of ministry at home, while the Rood Crew pushes out the teachings from here in Charlotte. It takes both to bring lives out of the darkness, into the light of Yeshua Messiah.

We wish you health and safety through the coming days. Stay encouraged! **YeHoVaH's protection is real and endures forever.**

Blessings!

THE #1 KEY TO SELF- HEALING

By Scott Laird, ND

Every physical ailment and even many mental ailments have the same root cause: Poor blood flow that starves the body of what it needs, creating a domino effect that eventually leads to the symptoms of disease. I tell people "blood flow is everything." In fact, getting healthy or reversing the symptoms of a condition simply cannot happen until healthy blood flow is established. The secret to healthy blood flow is the delicate interior lining of the blood vessels called the endothelial cells.

The endothelial cells (or endothelium) constitute the single-cell, innermost layer of your blood vessels. They serve as the "lifejacket" of the blood vessels. When the endothelial cells are healthy and functioning properly, they produce a gas called nitric oxide. Nitric oxide relaxes the blood vessels, opening the way for red blood cells to carry oxygen to the tissues of the body. Without nitric oxide, there is blood flow strain, which leads to higher blood pressure, and undue stress on the body as it struggles to bring nutrients to and expel toxins from the tissues. Fortunately, the solution is simple. Once you stop eating unhealthy foods that hinder your endothelial production of nitric oxide, the levels of nitric oxide can increase, which maximizes the immune system's efforts to halt disease progression and even reverse the symptoms.

Whole grains, beans, legumes, greens, sweet potatoes, and fruit all have excellent sources of naturally occurring nitrates, which your body converts to nitric oxide. Interestingly, chewing these foods (especially dark leafy greens) instead of blending or liquefying them, is the best way to produce nitric oxide. This is because the action of chewing the nitrates mixes with the anaerobic bacteria on your tongue, which converts the nitrate to nitrite, which the gastric acid in the stomach converts to nitric oxide.

Increasing your body's production of nitric oxide not only increases blood flow by widening the blood vessels, it also reduces blood pressure and thereby reduces the progression of diseases that start with high blood pressure. Even a flu virus can become more severe with high blood pressure. Most people who die of a flu virus don't die because of the virus but because their immune system is continually repairing chronic, underlying health issues and is thereby preoccupied to the point that it is unable to stop what should be a relatively minor infection.

As you can see, life is truly in the blood. The key to that life is nitric oxide, because nitric oxide works to carry oxygen to every part of your body – and without oxygen, there is no life.

YOUR SUPPORT DOES THIS...

Never doubt that your prayers, contributions, and personal participation in the ministry of A Rood Awakening! International changes lives! These are just a few of the testimonies we receive every day and we wanted to share them with you – because YOU accomplished this. These are YOUR treasures that will be counted to your credit for eternity.

Pray YeHoVaH!

"I am working on some significant understanding of Scripture in Revelation. May YeHoVaH bless you and keep you!"

- Quentin P.

"Michael's teachings on COVID-19 have also been like fire of anointing raining down! Thank you!"

- Tia

"Perhaps we are all targets of Spiritual, economic and emotional attacks in these troubling times. This is why we stand together and support each other as best we can for as long as we can. Our King was a suffering servant who suffered much more for us than that which we suffer, so respect and gratitude for all we receive should never be forgotten from our minds."

- Michael V.

"I am honored to be a partner with A Rood Awakening. My "Palm (not) Sunday" teaching last night was well received. I had to start with an intro to YeHoVaH's calendar and moedim. They were riveted! Please pass along my thanks to Michael for his teachings that I relied on heavily to put that together."

- Craig S.

"By trying to obey YeHoVaH and Messiah Yeshua, I put myself at odds to Christianity and drew/draw frequent fire from them. Now I can plainly see that Yeshua was in a similar situation; why should I expect to be any different? My goal now is to keep seeking him and to obey the Scriptures to the best of my ability. Thank you for showing me the "truth" - it has set me free from religion!"

- Jini

"So many of us have inherited the lies brought down to us. I thank YeHoVaH for my awakening! I love you guys and what you have done for me and my family by me telling them the truth. And I'm praying for those who are still asleep."

- Alveta C.

Count the Omer TO SHAVUOT!

THE FIRE! THE THUNDER! THE AWESOME VOICE OF THE ALMIGHTY HIMSELF DELIVERING THE 10
COMMANDMENTS... AND THAT WAS JUST THE FIRST SHAVUOT !

On this same day in history, the mighty rushing wind of the Holy Spirit was given to Yeshua's disciples in Jerusalem. That's why Shavuot (also known as Pentecost) is the anniversary of both events – the inseparable bond between the Torah and the Spirit!

Shavuot is a Hebrew word that means "weeks" and is called as such because we are to count 7 weeks up to the day of Shavuot from the Day of First Fruits (the morrow after Yeshua rose from the dead). The Day of First Fruits is the period of the spring barley harvest and Shavuot is the period of the wheat harvest.

It is common among Torah-observant believers to mark each day during this period by "counting the omer" (49 days) up to the 50th day of the count, which is the actual day of Shavuot. The "omer" is a unit of measure used in the Bible and in this context refers to the measure of barley used in the "wave" offering on the Day of First Fruits, the first day of the counting of the omer.
