YOU HAVE BEEN SET FREE

There will always be those who will try to tell you that they stand between you and your Creator. They will tell you that you must serve them and their church and follow their rules and then you can know the Almighty. But you know better. You know that Yeshua said to "call no man Rabbi." In fact, true freedom is in the Messiah.

Yeshua frees us from sin and man-made religious laws and traditions. You are not bound by rote rituals, unscriptural rules, or confounding compromise. You have the gift of the Torah, the loving instructions from the Creator that light your path so that you can always see him. You are free to love the Almighty with all your heart, soul, and mind — unencumbered by men who seek to gain power over you and control you.

Nor are you bound by those who will tell you that true freedom means doing whatever you want, whenever you want. The "gospel" of prosperity, pleasure, and permissiveness is rampant, but it is empty. Constant compromise and twisting of truth to serve one's every momentary desire is not freedom, it's reckless vanity. Devoid of truth and eternal significance, this "freedom" to do anything, as long as it feels good, is meaningless and leaves many at the end of their lives bereft of hope and unfulfilled.

The beauty of freedom in Messiah is that you get to choose him every day. You get to choose to love him by keeping his commandments. You get to choose to walk by the Spirit and hear his voice. When you are free in the Messiah, you see the fulfillment of the Almighty's great plan and see yourself in it.

You answer to no one but Messiah, and it is he who has taken your sin and given you life in return.

See you when the smoke clears

Help us prevent a financial "Rood Interruption"

Sometimes summer fun takes priority and ministry donations take a backseat. But we need your support year-round, especially right now when donations tend to fall short. Would you be willing to stand with us to meet this summertime challenge?

Together, we can be our Messiah's hands and feet to produce good fruit like what is happening in Francisco's life...

I was in missionary work for more than 30 years in Europe, Africa, Central America, South America and some Caribbean islands. But within the church I saw atrocities that I wanted no part of — I became indignant to the point of crying and prayed for the truth! A week later, I was in Honduras where I watched a teaching of Michael Rood dubbed into Spanish. This is what I was looking for! I began studying The Chronological Gospels and started to teach at home in Holland. Once a year I go back to those hard-to-reach places in Central America, South America and the Caribbean to teach them what I have learned from Brother Michael!

By making an extra donation right now at ARoodAwakening.tv/Give or by calling our team at 888.766.3610, you can make all the difference to people like Francisco!

A little extra help right now, whatever you can afford, will ensure YeHoVaH's message continues without interruption through the summer months and into the fall feasts season.

Think about it, pray about it, and follow YeHoVaH's direction.

Thank you!

Sincerely,

THE TEMPLE SYSTEM

WITH STEVE SIEFKEN

The Temple in ancient Israel was more than just a worship center. It was the hospital, the government, the judicial system, and even a financial institution. Every aspect of its function was derived from the Torah — yet man still twisted the Almighty's ways to use the Temple for his own purposes.

What was the Temple's original purpose and how did we get off track?

Steve Siefken brings a refreshing perspective on the Temple and the Torah, and how we can use these divine examples as the model to keep the Torah at the center of our lives today.
