## The BREAD from HEAVEN

In the final week of the 6th Hebrew month (Thursday, September 18, 27 CE) Yeshua did something that is arguably the most important event in his ministry. It was on this day that Yeshua performed a miracle that fed 5,000 men plus women and children in a rural area outside Beit Saida.

Did everyone there know that it was a miracle? Did they realize how it happened? Or was it just a pleasant surprise to some oblivious folks in the back of the crowd? We may never know, but Yeshua's closest disciples certainly knew what happened — and it obviously made an impact on them, as the feeding of the 5,000 is ONLY miracle Yeshua performed that is recorded in all four Gospel records. As such, the feeding of the 5,000 has become the most significant marker we have with which to accurately determine every other event in the Gospels, both before and after.

The timing of Yeshua's ministry really is everything. To say otherwise not only devalues its divine orchestration, but renders one willfully ignorant of what the feeding of the 5,000 was all about. These people were preparing to commemorate the Almighty's provision for their ancestors in the Sinai wilderness, where he fed them with manna, the "bread from heaven" (Psalm 78:24). It was the perfect time to feed them again in like manner. Those present (who were paying attention) would recognize the timing of the miracle and from whom it came: Yeshua, the embodiment of "bread from heaven" (John 6:32).

We, too, ought to pay attention to YeHoVaH's timing. No man knows the day or the hour of Yeshua's coming (Matthew 24:36) when he will fulfill the Fall Feasts of the LORD, but we do know the season IF we are paying attention.

As you prepare to celebrate the Fall Feasts of the LORD next month — just like the Israelites did in the wilderness, and like the crowds did when they gathered to hear Yeshua at the feeding of the 5,000 — remember the true significance of the celebrations. Rejoice in the fact that, just as he feeds our earthly bodies in the wilderness of this world, he will come again to gather us (John 14:3) and feed us eternally with the bread of his presence.

# The Flood of AI

with David Beverley, Sr.

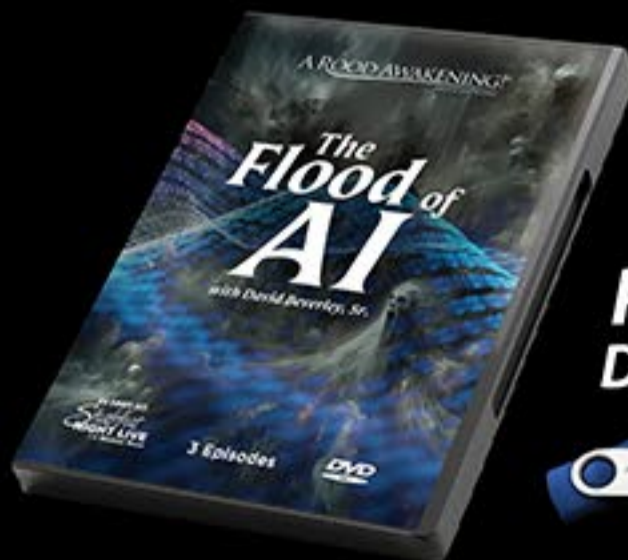

**At the time of the flood**, the Bible tells us that no flesh escaped except Noah's family and the animals that YeHoVaH guided to the ark. But what about spirits roaming the earth — specifically the spirits that were the cause of pre-flood corruption?

Do the spirits we read about in the early chapters of Genesis still roam the earth today? And if so, is there a connection between them and the mysterious rise of artificial intelligence?

David Beverley cites an intriguing link between the Bible, extrabiblical historical texts, and the rapidly concerning evolution of AI, a self-taught technology that seems to have a life of its own beyond the control of its creators.

# Love Gift Collection September

Biblical tithing is not the 10% religion tax you learned about in church. In fact, most of us were taught something completely foreign to true, biblical tithing found in the Torah!

Steve and Rachelle Siefken reveal the true intent of tithing – to compensate a biblical-based judicial system, fund community-wide celebrations, employ Torah teachers, and assist the poor to get out of debt and start a new life.

Biblical Tithing is a biblically logical review of YeHoVaH's true intent for giving and how we can use those same concepts today, despite a system that is far from the perfection of the Torah.
