► MARCH 2022 THE DAY OF FIRST FRUITS

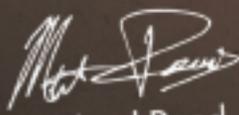

ON THE AFTERNOON OF MARCH 4, 2022 WE WILL KNOW WHETHER THE BARLEY IN ISRAEL NEEDS ANOTHER MONTH TO MATURE. IF IT DOES, WE WILL MOVE OUR PASSOVER 2022 ONLINE EVENT TO APRIL 15-16. IF NOT, PASSOVER 2022 WILL REMAIN ON MARCH 18-19 AS PLANNED.

Unique to the Hebrew calendar, the phenomenon of adding another month in early spring at the close of the 12th month happens every three to four years. That 13th month is called Adar Bet because it follows the month of Adar; the word Bet in Hebrew refers to the second letter of the Hebrew alphabet and to the number 2. Thus, Adar Bet means "the month of Adar, part 2."

Adding a 13th month to allow the barley in Israel to mature is extremely important because of what happens the following month, The Month of the Aviv, during which the Spring Feasts of the LORD occur. During the Spring Feasts, there is a requirement for an offering on the Day of Firstfruits consisting of the first barley harvest of the year. If the barley is not mature at that point, the offering cannot take place as commanded; and if the offering cannot take place on the Day of Firstfruits, the Feast of Passover cannot take place, either. Chosen officials check the ripeness of the barley (or lack thereof) at the end of the 12th month, at which point they can determine whether a 13th month is warranted to ensure that the barley will be ready so that the Spring Feasts can be observed as commanded.

The year during which Yeshua completed most of his ministry included an Adar Bet month. Occurring a month before his crucifixion, the extra month gave ample time for the barley to mature and for Yeshua to fulfill all of the prophetic shadow pictures embedded in the Spring Feasts that year – including the perfect timing of his death, three days and nights in the grave, and then presenting the "firstfruits from among the dead" offering before the throne in heaven. In fact, without a 13th month, Yeshua's ministry would not have totaled exactly 70 weeks from the day of his water baptism to the day that he baptized his followers with the "fire" of his spirit at Shavuot (Pentecost).

By the time you read this, we will probably know whether we need to account for a 13th month. Regardless of the outcome, I wish you Rosh Chodesh Sameach (Happy New Month), and I hope you will join us at Passover 2022 online at PassoverCharlotte.com

HEBREW WORD STUDY: FEAR NOT

BY DAVID ROBINSON

THERE IS SO MUCH UNCERTAINTY IN THE “NEW” WORLD THAT WE LIVE IN TODAY, INCLUDING OUTRIGHT ATTACKS ON BIBLICAL PRINCIPLES AND BELIEFS — IT IS AN ABOMINATION TO YEHOVAH! YET, OUR FATHER KNEW THESE DAYS WOULD COME. WE SHOULD REJOICE AND PRAISE HIM FOR PROVING TO THIS WORLD THAT PROPHECIES IN HIS WORD ARE COMING TO PASS, UNLIKE THOSE WHO ARE PARALYZED BY FEAR BECAUSE THEY DON’T UNDERSTAND THE FATHER’S PLAN. FEAR IS INDEED THE OPPOSITE OF FAITH.

Did you know that the phrase “**FEAR NOT**” is the **most repeated command** in the Bible? That’s right, it’s a command! It’s not a suggestion or something YeHoVaH says to make you feel better. In fact, this command is used **365** times throughout the Bible — that’s one “fear not” for every day of the year. It’s a subtle reminder that we need to renew our faith (not our fear) every day.

Fear often comes when we are caught unprepared, which is why I believe we should all **prepare** for what is to come. However, being alone in the wilderness is not the way to do it. We need to prepare together, to be in community together, and to help each other. The Hebrew word a-vo-dat defines this concept. It is derived from the Hebrew word a-vo-da; the Hebrew word a-vo-dat is the construct form. It means “the work of.” The meanings are the same in the biblical and modern Hebrew. Work (to labor) and service (worship). A-vo-dat is used to detail the work of the priests in the temple, often used with the Hebrew word “tze-vet” which means “team.”

Peter, in **1 Peter 2:9** says, “**You are a royal priesthood and a priestly kingdom,**” and John says in **Revelation 5:10**, “**Through your blood you have made us into priests and kings.**” We, as priests, have been commissioned to do the Father’s work as a team, to come together and stand against the evil of our times in unity. My prayer is that we come together, in love, working together in unity to defeat the evils of our day.

WHOM will you SERVE?

WHEN MEASURED AGAINST THE WORD OF YHWH, SOME OF MAN'S LAWS ARE LAWLESS, AND THERE WILL SOON COME A POINT WHEN YOU MUST DECIDE WHOM YOU WILL SERVE.

Using examples from the Torah, the New Testament, and from yesterday's headlines, Bill Cloud draws a striking parallel between the decisions made by heroes of the Bible and the decisions facing us in our modern world.

"Whom Will You Serve?" is a sobering call for you to make a decision as your forefathers did throughout the Bible – choose this day whom you will serve: The desires of men or the commandments of YeHoVaH.
