# GOD SPEED

WITH JOE KOVACS

Regardless of the chaos in our world, deep down we know that YeHoVaH is in control. In fact, YeHoVaH is everywhere and in everything around us — but we won't recognize him unless we are operating at "God speed."

Best-selling author and award-winning journalist Joe Kovacs reveals the divine code in every moment that unlocks the Almighty's message embedded in everything we experience in our physical world.

From the songs we know, to blockbuster movies, commercial messages, and historic news events, God Speed will challenge you to see YeHoVaH's hand in everything at all times.

# ROOD REVIEW

THE ACCEPTABLE YEAR OF THE LORD >>> JUNE 2022

Dear Torah Fan,

The acceptable "year of the LORD" is more literal that most believers realize. In fact, it was this month in biblical history when Yeshua used a verse in Isaiah to illustrate this point. It was the 13th day of the third month, 27 CE when Yeshua stood up to read the scroll of Isaiah. Luke's record tells us:

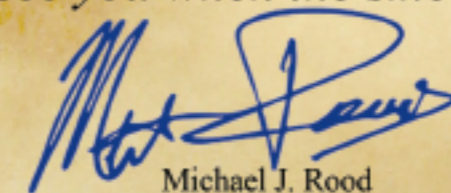

*"When he opened the scroll, he found the place where it was written, and he read: "The Spirit of YeHoVaH is upon me, because YeHoVaH has anointed me to preach good tidings unto the meek; he has sent me to heal the brokenhearted, to proclaim deliverance to the captives and recovering of sight to the blind, to set at liberty those who are bound, to preach the acceptable year of YeHoVaH." He closed the scroll, gave it back to the rabbi, and sat down. Every eye in the synagogue was riveted on him. He began, "This day is this Scripture fulfilled in your ears." Luke 4:17-21*

Shortly after that statement, the crowded synagogue lost it! Why? First, he violated the synagogue "three verse rule." According to rabbinic law, one may read any portion of the Torah or the Prophets in the service, but they must read a full section — which is now interpreted as at least three verses (Talmud; Ta'anith 27:4). Instead, quite defiantly, he stopped cold in the middle of the second sentence and sat down. Secondly, as they were marveling at his first violation, he scolded them for their lack of faith and declared that gentiles would benefit from salvation before they would (Luke 4:22-27).

Had cooler heads prevailed, they would have realized that Yeshua's declaration was one of the most important things he ever said. He was prophesying the final "one year countdown" during which the Spring Feasts of YeHoVaH would be fulfilled. Specifically, this event occurred on the first Sabbath after Shavuot (Pentecost). Exactly one year later, again on Shavuot, the crucified and risen Messiah would mikveh (baptize) his followers with the Ruach Kodesh (the Holy Spirit).

We don't need fairytales about a three-and-a-half year ministry; we need only one, acceptable year of YeHoVaH. We need only to heed the words of THE Prophet of whom Moses spoke — the prophet who boldly proclaimed the acceptable year of the LORD in a crowded, angry synagogue.

See you when the smoke clears,

# GMO: Genetically Modified *Obstinance*

How upgrades may be our downfall

By Scott Laird, ND

**YeHoVaH** himself tells us that the Israelites were a "stiff-necked" people (Exodus 32:9). To be stiff-necked is to be obstinate and difficult to lead, and those who are difficult to lead will find themselves lost. That's why we are told elsewhere in the Bible to be humble. Proverbs 29:33 says it well:

"A man's pride shall bring him low, but a humble spirit will obtain honor."

Apparently we haven't learned anything since the time of the Israelites. We are constantly coming up with our own obstinate ways to "improve" on YeHoVaH's perfection, which is leading us straight into end-time deception.

I often teach people about the dangers of GMO technology used in food crops. The technology is deceptive because the result looks good, but in reality it is disastrous. Genetically modified crops such as corn, soy, canola, sugar beets, and cotton are engineered to resist a certain brand of weed killer so that the farmer can spray the weeds without killing the crop. It sounds miraculous, and the fields look healthy and beautiful, but it's all a deception. The weed killer works by chelating (grasping and removing) nutrients from the weed, causing it to die. The genetically modified crop, though it looks good on the outside, suffers the same fate on the inside; it is weak, devoid of nutrition, and drenched in herbicide residue.

Recently, I was teaching an online class about GMO crops when a dark reality struck me: Genetically modified plants are just the beginning. It's an opening act for the end time "upgrades" that will lure many into being "like God," the same promise Satan made to Eve in the Garden of Eden. Technology already exists that can change human DNA, and microchip implants are emerging as potential treatments and cures for brain disorders such as ADHD, Parkinson's disease, and Alzheimer's disease. Are these medical miracles? Or are they just another Garden of Eden deception?

Mark my words: If we are arrogant enough to think that we (or those who rule over us) know better than YeHoVaH, our collective pride will bring us low, our lifeline to him will be cut off, and we will end up enslaved to man and his "upgrades." Let us keep our spiritual eyes open to these emerging "upgrades." Like GMO crops, they may sound like a good idea, they may look promising, and we may be coerced to believe they are our only choice, but deep down it's a deception rooted in the obstinance of humanity — the result of which is always the same.

## Countdown To **SHAVUOT!**

Learn more about Shavuot at

**THE FIRE! THE THUNDER!** The awesome voice of the Almighty himself delivering the 10 commandments... and that was just the first Shavuot (shah-voo-OAT)!

On this same day in history, the mighty rushing wind of the Holy Spirit was given to Yeshua's disciples in Jerusalem. That's why Shavuot (also known as Pentecost) is the anniversary of both events — the inseparable bond between the Torah and the Spirit!

Shavuot is a Hebrew word that means "weeks" and is called as such because we are to count 7 weeks up to the day of Shavuot from the Day of First Fruits (the morrow after Yeshua rose from the dead). The Day of First Fruits is the period of the spring barley harvest and Shavuot is the period of the wheat harvest.

It is common among Torah-observant believers to mark each day during this period by "counting the omer" (49 days) up to the 50th day of the count, which is the actual day of Shavuot. The "omer" is a unit of measure used in the Bible and in this context refers to the measure of barley used in the "wave" offering on the Day of First Fruits, the first day of the counting of the omer.

Use the reference below to count the days to Shavuot, this year on Sunday, June 12. (NOTE: Each Hebrew omer day below begins at sunset the day before the Gregorian day listed.)

**DAY 39 Wednesday, June 1**

**DAY 40 Thursday, June 2**

(Yeshua ascends - event #246 in The Chronological Gospels Bible)

**DAY 41 Friday, June 3**

**DAY 42 Saturday, June 4**

**DAY 43 Sunday, June 5**

**DAY 44 Monday, June 6**

**DAY 45 Tuesday, June 7**

**DAY 46 Wednesday, June 8**

**DAY 47 Thursday, June 9**

**DAY 48 Friday, June 10**

**DAY 49 Saturday, June 11**

**DAY 50 Sunday, June 12**

(Shavuot - event 254 in The Chronological Gospels Bible)

### **Please Join Us In Prayer**

One of the most powerful weapons we have as believers is prayer! Join with us as we petition the Almighty in unison for the requests from our online prayer page, like this one:

"Please pray for my son that he may be relieved from his seizures. He has had them for almost four years now. He has grand mal seizures and because of this he cannot drive, get a job, or live alone. His doctors have tried many medications but so far nothing has stopped them. My son is a true believer in YeHoVaH and is trying to work through these problems. Pray that YeHoVaH grants him strength to succeed." - KJ
