

# You Have What It Takes

# ROOD REVIEW

»»» NOVEMBER 2022

**We live in a world** that never seems to have “enough”, or at least we don’t think we do. It’s that kind of thinking that keeps us from doing what Yeshua told us to do. But Yeshua didn’t teach us to be fearful or anxious; he taught us to be bold, and to know that we will lack nothing, even if we don’t think we have what it takes to do the job (Luke 22:35). We serve a King who has immeasurable abundance at his disposal – we can give abundantly knowing that anything we do for him will be given back to us.

However, there is one scarcity we all have. It’s not a lack of resources, it’s a lack of time. Indeed, this is our moment. While the world cowers over elections and the economy, this is your chance to stand with us to wake the world from a slumber of faith without substance.

When you give, you fund the teachings we broadcast that are restoring faith and vigor for thousands across the globe to serve the King of Kings in a renewed definition of what it means to be a believer. It’s working, and we must keep going.

It’s not just a donation. It’s someone’s faith on the line. Every day we hear testimonies of people who say that something they saw from A Rood Awakening! International changed their life and renewed their faith. But that’s not because of anything I did... it’s you. It’s all you – because without you, not one minute of what I teach or our guests teach can be seen by anyone.

As I write this, I know you’re with me. I know you’re going to make it happen. I know that we are going to see your donation come in so that I can tell the team, “Keep going!” Thank you in advance for your end-of-year gift. It means the world to me, and it means a renewed eternity for those whose eyes are opened because you gave to this ministry.

# God's Law and The New Covenant

with Steve Siefken

**The Law of Moses** takes on a whole new meaning when it is considered a legal document in addition to a religious code of conduct.

Steve Siefken presents a fascinating view of the Torah, the Messiah, and the New Covenant from a legal perspective as a means to govern a nation. From crime and punishment to family law and property rights, the Torah is the original constitutional masterpiece.

Your faith will be stirred, your rights renewed, and responsibilities challenged in this enlightening teaching that reveals an overlooked, practical side of the Law of God.

## It's Your Decision: Taxes or Truth

Michael Rood once told me he got into ministry for one reason — it was his duty. The Almighty had given him a vital message about what he had been observing in Churchianity since he was a teen. Something wasn't quite right, and it was his job to teach the truth.

Thanks to your obedience to the Almighty, that truth is now reaching farther than ever! Your support is changing lives. You make it possible for people to finally understand what they've been missing. You are the reason for every "Rood Awakening."

Even while Michael continues to heal, new people are having their lives changed through this ministry — thanks to YOU — every day! But how much more we do (and how long we can do it) is up to you.

We are adamant about being good stewards of your investment in this ministry; that's why we're finalizing this ministry's activities for 2023 and we need to know if we can count on you to make it happen. Keep in mind that Washington is also going to be asking you for that same "donation" for their purposes at the end of the year, which means:

1. You could pay more tax than you need to and watch Washington waste it.
2. You could support A Rood Awakening! International and bring the truth to more people than we have ever reached before.

You know as well as I do that the money has to go one way or the other. I'm asking you to put it to good use — put it into a ministry that pushes every dollar as far as it will go, and risks everything to do what the Almighty has asked us to do.

Thank you in advance!

# YeHoVaH Answers Prayer!

We love to pray with you – and we love to hear the results, too! Here are just a few of the amazing situations in which the Almighty has intervened in the lives of Rood Fans like you!

"This past spring my husband was given 3 months to live. Diagnosed all at once with TMJ, blood clots, and cancer everywhere and while in the hospital for a week caught the worst case of shingles the doctor had ever seen. During a recent visit to the oncologist, the doctor said rather bluntly, "I don't understand, how are you still alive." To which my husband replied, "God – I'm alive because of God." The doctor replied, "I don't understand, it's a miracle!" YeHoVaH is in charge and His word is law; that settles it. What a mighty King we serve!"  
- Brigitte

"I was first introduced to Michael Rood's teaching and ministry by my mentor in ministry, my godmother, an African-American pastor. I am a white boy from the backwoods of East Texas. I really didn't know what to do when I first heard Michael's teachings. The long and short of it is my wife, Kay, and I have been seeking the truth Michael teaches. We binge-watched "The Chronological Gospels," both seasons, in about 10 days during a 21-day fast. Then we ordered three copies of "The Chronological Gospels" Bible, one for each of us and one for my godmother. We cannot get enough! Our prayers are with Michael for a speedy recovery and that he is able to rejoin "The Rood Crew" soon, doing what he loves most – sharing the Good News of the Kingdom with the world."  
- Greg

*"Just before I had three major heart attacks and two strokes, I had started enjoying The Chronological Gospels Bible. I lost a year after being pronounced dead to waken to my soul crying out to our loving father; Michael's teaching was the first thing I craved! I can walk again and each step is in YeHoVaH's name and each breath continues giving praise. Every day I get stronger and my mind returns, except it's more filled with praise to our master and our God. We serve a wondrous Lord indeed. The Chronological Gospels is my Bible and it blesses and enriches me daily."

# The 10 Commandments in America

SPECIAL GUEST LOVE GIFT TEACHING

**Idols are not gods.** The gods of this world are, in fact, people at the head of every nation in the world — the government. But what happens when these little gods do not submit to the big God, YeHoVaH?
