You Have What It Takes

We live in a world that never seems to have “enough”, or at least we don’t think we do. It’s that kind of thinking that keeps us from doing what Yeshua told us to do. But Yeshua didn’t teach us to be fearful or anxious; he taught us to be bold, and to know that we will lack nothing, even if we don’t think we have what it takes to do the job (Luke 22:35). We serve a King who has immeasurable abundance at his disposal — we can give abundantly knowing that anything we do for him will be given back to us.

However, there is one scarcity we all have. It’s not a lack of resources, it’s a lack of time. Indeed, this is our moment. While the world covers over elections and the economy, this is your chance to stand with us to wake the world from a slumber of faith without substance.

When you give, you fund the teachings we broadcast that are restoring faith and vigor for thousands across the globe to serve the King of Kings in a renewed definition of what it means to be a believer. It’s working, and we must keep going.

It’s not just a donation. It’s someone’s faith on the line. Every day we hear testimonies of people who say that something they saw from A Rood Awakening! International changed their life and renewed their faith. But that’s not because of anything I did... it’s you. It’s all you — because without you, not one minute of what I teach or our guests teach can be seen by anyone.

As I write this, I know you’re with me. I know you’re going to make it happen. I know that we are going to see your donation come in so that I can tell the team, “Keep going!” Thank you in advance for your end-of-year gift. It means the world to me, and it means a renewed eternity for those whose eyes are opened because you gave to this ministry.

and appreciation,*

Powerful Testimonies

Seeing lives changed is why we do what we do! We get amazing stories from individuals all over the world, telling us how YeHoVaH used A Rood Awakening! International to open their eyes to biblical truths they've never considered. Here are some examples of wonderful testimonies we've received this year:

"I am from Nairobi, Kenya and used to be a Catholic believer; I changed this year in January and believed yeshua as Messiah. Through listening to teachings on YouTube, Michael Rood is my American pastor! When I hear the name yeshua I feel eager to listen. I need to learn, I want to inherit the kingdom of heaven."
~ Jared K.

"We are Ambassador Club members and seldom miss a Shabbat Night Live. Michael Rood has illuminated and brought much understanding to me, such that I have been able to talk about what's really going on. I wish to memorize as much as possible and be prepared to present the true Gospel to friends and family without looking like a part-time, pew-warming buffoon!"
- Jeff and Gasin T.

"My family and I love everything you do, It is a blessing, you are our church on the air. Shalom!"
-David C.

Love Gift Collection November

Is our modern concept of dating contrary to the Bible? And if it is, how are we supposed to get to know someone before we get married?

Using wisdom from the Bible and candid discussion about recognizing character over feelings, pornography's influence on perception and behavior, and the pitfalls of online dating, Rachelle Siekfen lays out YeHoVaH's ideals for both men and women, regardless of marriage as a goal.

It's not just about meeting a compatible mate – *Biblical Dating* explains how to work on ourselves as our primary goal, instead of looking for a mate to fill the void.

YOUR GIFT WITH \$50 OR MORE

Biblical Dating is not for sale and it's not on YouTube, but we'll give it to you on DVD, Blu-ray, or streaming on the MichaelRoad.tv app for a love gift donation of \$50 or more in November.
