

# BOUGHT WITH BLOOD

## Rood Review

Restoring the Hebrew roots of the Christian faith

March 2025

On the night of Passover, the Messiah bore the contempt and hatred of the religious leaders. He was scourged and ridiculed. He was treated as the lowest of the low. The next day, they nailed him to a stake, publicly humiliated him, and then killed him.

Darkness covered the land. It looked as though he was defeated. But what happened behind the scenes that Passover afternoon was more than amazing. Had the adversary known what was happening, he would never have crucified the Lord of Glory. Because the moment the Messiah gave up the spirit was not a moment of defeat – it was a moment of victory! It was the moment prophesied when Moses went toe-to-toe with the Pharaoh of the Exodus and fulfilled for all eternity when Yeshua confronted the adversary and declared “let my people go!”

In that moment, you and I were bought and paid for – bought with the blood of our Messiah. We were rescued from the wages of sin. We were renewed along with the covenant. We, once again, can rejoice in the promise of eternal life with the Father.

The fulfillment of the spring feasts is something to celebrate with glad hearts. We are reminded that the Creator has a plan. The fall feasts will see their fulfillment when the Messiah returns as the Righteous Judge, and there will be victory for YeHoVaH and all his people.

I invite you to celebrate your victory with us at Passover 2025: Bought With Blood - see the details in this newsletter.

Indeed, if you are walking the path of the Messiah, victory is yours for the taking because you are “bought with blood.”

*Spiritual Consequences of An Open-Border Policy*  
with Kamal Saleem

**Kamal Saleem** was born to a Muslim family in Lebanon, ostracized and radicalized at a young age, and eventually trained as a political jihadist to change the culture of America from within.

Thanks to divine intervention as a young man, his eyes were opened to Yeshua's salvation. Today, he is a hunted man, revealing radical Islam's agenda on his new mission to turn Muslims' hearts to the same faith that saved him.

In *Asylum Assassins*, Kamal Saleem reveals the dangerous aftermath of America's open border policy, who is really in our country, why the situation is a spiritual threat, and what we can do about it.

# Love Gift Collection March

The Muslim Brotherhood recruited Kamal Saleem as a child to smuggle weapons into Israel. He was shot at, learned how to shoot back, and saw things no child should ever see.

In the 1980s, he trained for a higher calling – the Islamification of America, a political jihad intended to turn the United States into a Muslim nation. But after a terrible accident disrupted his plans, the voice of YeHoVaH set him on a different mission.

From Islam to Israel shares the incredible life story of Kamal Saleem; you'll be on the edge of your seat as he shares his passion for saving the people who want to kill him.
