Restoring the Hebrew roots of the Christian faith

That We May Walk In Freedom

Dear Torah fan,

This year, Shavuot is from sundown Saturday, June 7 to sundown Sunday, June 8, as referenced on the 2025-26 Astronomically and Agriculturally Corrected Biblical Hebrew Calendar. It is an ancient agricultural feast day during which we thank the Creator for the tangible blessings of our “harvests” during the year.

It was first instituted the day following a full seven weeks (50 days) after the Passover, as the Israelites were camped at the foot of Mt. Sinai. This was the day that the Almighty shouted his Torah (instructions) from heaven, accompanied by the spectacular sight of the mountain enveloped with fire “to the midst of heaven” (Deut. 4:11).

Centuries after that first Shavuot, as the Messiah’s disciples were gathered in Jerusalem to celebrate Shavuot (the anniversary of the day the Israelites received the physical Torah), the spiritual aspect of the Torah (the Holy Spirit) was poured out. “Tongues of fire” appeared above the heads of those gathered amidst a “rushing mighty wind” (Acts 2:2); the Hebrew word “ruach” (ROO-awk) means both “wind” and “spirit.”

This was an undeniable statement from the Almighty that the Torah and the Spirit are one in Yeshua, the Living Torah.

Shavuot is about freedom — freedom from slavery at Mt. Sinai and freedom from sin through Yeshua. It reminds us of our freedom and also our purpose and strength. Through his Spirit given at Shavuot, Yeshua puts his Torah in our hearts so that we may walk in freedom, power, and faith. He takes our sin and gives us life.

This Shavuot, remember the power and intensity of the Spirit that you are gifted to live by, and walk in it boldly. May others see the Spirit within you and be left in awe.

See you when the smoke clears,

Michael J. Rood

Lives Changed

Seeing lives changed is why we do what we do! We get amazing stories from individuals all over the world, telling us how YeHoVaH used A Rood Awakening! International to open their eyes to biblical truths they've never considered. Here are some examples of wonderful testimonies we've received recently:

"I am so excited to be a part of God's Kingdom through Michael Rood and the Rood Crew; it makes me feel I am doing something to share His Truth that others might have the opportunity to know Him!"
~ Consuelo P.

"After screaming out to God Almighty to give me His absolute TRUTH, I was led to A Rood Awakening, with Michael Rood.

Thank you, YeHoVaH!"
~ Mary M.

"Thank you A Rood Awakening for everything you do. During the winter months I am diligent to tune into Shabbat Night Live on Friday here, which I am learning quite a lot for this time in the world. I also am currently following Michael in his past recordings of Judges, for which I am thankful because I am 'getting meat', and not just some 'rotten bread and sour milk' (lol). This ministry has given me 'the glasses' to help me open my eyes and I can't thank my good friend who, unfortunately has gone home to his Father (years ago) but before he went, YeHoVaH called me through my friend - and I have responded. Thank you!"
~ Penny J.

THE ICE AGE MYTH

with David Nelson

THIS MONTH ON ...

Shabbat
NIGHT LIVE
with Michael Rood

The theory of an ice age started with a kernel of truth, but like many myths, the truth wasn't enough for human imagination.

Former Earth Sciences teacher David Nelson delves into the origins of the ice age concept, its challenge to the truth of Noah's flood, and how it evolved into the flawed ideas of modern environmentalism.

Blending modern satellite imagery with the timeless reliability of the Almighty's word, *The Ice Age Myth* deconstructs the theories of evolution and the ice age to offer a more logical and scientifically sound explanation.

Love Gift Collection June

How is it that the same geological formations appear in both North America and Israel, both of which are assumed to be ice age formations, yet neither has the characteristic scars produced by slow moving ice?

Could it be that the ice age never happened and that these twin formations instead testify to a worldwide flood?

Retired earth sciences teacher David Nelson combines the recent satellite imagery of Israel with the eternal truth of the Bible to set aside the confusion and mystery of the ice age in favor of the simpler, more plausible truth of a catastrophic flood.
