Restoring the Hebrew roots of the Christian faith

July 2025

You Have Been Set **FREE!**

There will always be those who will try to tell you that they stand between you and your Creator. They will tell you that you must serve them and their church and follow their rules and then you can know the Almighty. But you know better. You know that Yeshua said to "call no man Rabbi". In fact, true freedom is in the Messiah.

Yeshua frees us from sin and man-made religious laws and traditions. You are not bound by rote rituals, unscriptural rules, or confounding compromise. You have the gift of the Torah, the loving instructions from the Creator that light your path so you can always see him. You are free to love the Almighty with all your heart, soul, and mind — unencumbered by men who seek to gain power over you and control you.

Nor are you bound by those who will tell you that true freedom means doing whatever you want, whenever you want. The "gospel" of prosperity, pleasure, and permissiveness is rampant, but it is empty. Constant compromise and twisting of truth to serve one's every momentary desire is not freedom, it's reckless vanity. Devoid of truth and eternal significance, this "freedom" to do anything, as long as it feels good, is meaningless and leaves many at the end of their lives bereft of hope and unfulfilled.

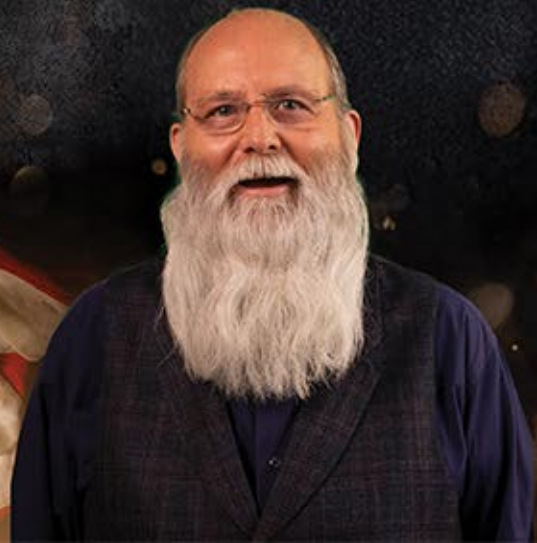

The beauty of freedom in Messiah is that you get to choose him every day. You get to choose to love him by keeping his commandments. You get to choose to walk by the Spirit and hear his voice. When you are free in the Messiah, you see the fulfillment of the Almighty's great plan and see yourself in it.

You answer to no one but Messiah, and it is he who has taken your sin and given you life in return.

See you when the smoke clears,

Michael J. Rood

Help us prevent a financial "Rood Interruption"

Sometimes summer fun takes priority and ministry donations take a backseat. But we need your support year-round, especially right now when donations tend to fall short. Would you be willing to stand with us to meet this summertime challenge?

Together, we can be our Messiah's hands and feet to produce good fruit like what is happening in Francisco's life...

I was in missionary work for more than 30 years in Europe, Africa, Central America, South America and some Caribbean islands. But within the church I saw atrocities that I wanted no part of — I became indignant to the point of crying and prayed for the truth! A week later, I was in Honduras where I watched a teaching of Michael Rood dubbed into Spanish. This is what I was looking for! I began studying The Chronological Gospels and started to teach at home in Holland. Once a year I go back to those hard-to-reach places in Central America, South America and the Caribbean to teach them what I have learned from Brother Michael!

By making an extra donation right now at ARoodAwakening.tv/Give or by calling our team at 888.766.3610, you can make all the difference to people like Francisco!

A little extra help right now, whatever you can afford, will ensure YeHoVaH's message continues without interruption through the summer months and into the fall feasts season.

Think about it, pray about it, and follow YeHoVaH's direction.

Thank you!

Sincerely,

Tedd Clayton

MICHAEL ROOD PRESENTS

A Brief History of

ETERNITY

By Divine revelation, the prophet Jeremiah lead a group of priests through the caves and passageways under the Temple mount during the Babylonian siege of Jerusalem to hide away the Ark of the Covenant and the Tabernacle of David in a cave — hidden until Israel would once again inhabit all of the land promised to our father, Abraham.

Then, at its future revelation, the prophetic significance of the Ark will be confirmed by the cloud of Glory, a spectacle that will attract both Jews and Gentiles from around the world to the King of Kings.

To understand the significance of the Ark of the Covenant, the Tabernacle of David, and their future prophetic fulfillment, Michael Rood presents, *A Brief History of Eternity*.

Love Gift Collection July

Throughout the Scriptures, we find many who chose to stand for righteousness, even at great personal risk, especially in the face of spiritual threats.

Today, one such spiritual threat facing Western nations is immigration, whether lawful or not. As followers of Yeshua, how can we extend His love to those seeking a better life, while also guarding against the potential introduction of values that conflict with biblical truth?

John Parker, a Torah-observant border patrol volunteer, offers thoughtful guidance for believers navigating this politically charged issue – one that carries serious spiritual implications for America.
