Rood Review

Restoring the Hebrew roots of the Christian faith

August 2025

Shalom

Fellow Laborers in the Kingdom,

This is a message that I don't take lightly — because these are not just “challenging times,” they are prophetic times. The shaking has begun, and the work of the Kingdom must not falter.

A Rood Awakening! International has stood firm on the truth of the Scriptures for over two decades. We've proclaimed the Gospel of the Kingdom, exposed religious traditions that nullify the Word of YeHoVaH, and we've delivered solid, Scriptural teaching to the ends of the earth, all without bowing to the whims of modern Christianity or compromising one iota of truth.

But now, we are facing a critical moment. To put it plainly — **we need your help.**

Our operational costs have surged. Production, broadcast distribution, and ministry outreach expenses are pressing hard, and yet our income has taken a serious hit. If this ministry has been a blessing to you — if the teachings, the calendars, the broadcasts, and the bold stance for truth have strengthened your walk — then I am asking you to stand with us now.

I've never been one to sugarcoat the truth, and I won't start now: **Without a serious outpouring of support, our ability to continue this work is in jeopardy.**

But I believe in miracles. I've seen them, and I know YeHoVaH stirs the hearts of His people to act when the time is right. That time is now.

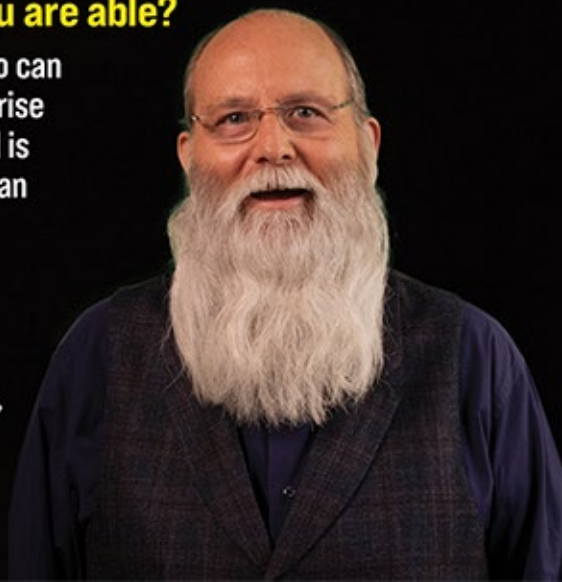

Will you pray — and give — as generously as you are able?

We need those who can give sacrificially. We need those who can give monthly. We need every part of the body of Messiah to rise up and say, “I will not let the light go out” because the world is getting darker. The truth of the Word must shine brighter than ever. I am not backing down, and I pray you won't either.

With all sincerity and urgency,

Michael J. Rood

THIS IS WHAT YOUR DONATIONS DO...

YOUR DONATIONS PUBLISH THE CHRONOLOGICAL GOSPELS BIBLE

"I am especially thankful for the smaller version of The Chronological Gospels: Second Edition. We have a Zoom bible study, so we also went through it with the group while watching each episode of Michael's teaching. Amazing how much clearer it brings out the life of Yeshua and His ministry while He walked the earth. Michael put so much time and effort into writing this, and it has blessed so many people. I thank YeHoVaH every day for A Rood Awakening and for Michael and all the staff."

YOUR DONATIONS CREATE NEW WITNESSING OPPORTUNITIES

NEW! From The Heart

With honest stories, biblical insight, and raw vulnerability, ladies from the Rood Crew present "From The Heart." In this roundtable discussion video series, believers are invited to rise up, speak truth, and reclaim the promises of a faithful Father, seeking His will, touching His heart, and transforming lives.

YOUR DONATIONS SPREAD TRUTH IN THE MIDDLE EAST

"Today, I've got my Chronological Gospel 2nd Edition, which I know will help me in sharing the Gospel in context here in Saudi Arabia. What a gift to honor our true Father in heaven. All glory to YeHoVaH through His son Yeshua. Shalom!"

The Trojan Horse of Torah Observance

with Eric Sandusky

Ask any Torah-pursuant believer about how they started, and you'll get a similar story — something was missing in church. So, each of us begins a journey.

Along the way, we encounter another similarity. We get excited about learning new things in our old Bibles, but then something goes awry; our new knowledge gives us a superiority complex. This is the Trojan horse of Torah observance.

In this series, founder of The Bereshit Restoration Project, Eric Sandusky, presents a humbling challenge: Has the pursuit of knowledge become a Trojan horse that overemphasizes opinions that needlessly tear fellowships apart?
