|                                                                             |                 |                                              |                 |                                                                                 |                 |                        |
|                                                                             |                 |                                              |                 |                                                                                 |                 |                        |

**PLEASE NOTE:** If the renewed moon IS seen in Israel on the evening of September 12, use this page – version [A] of this month. If the renewed moon is NOT seen on September 12, use version [B] of this month on the following page.

(1) Yom Teruah: Day of Trumpets  
(10) Yom Kippur: Day of Atonement  
(15 - 21) Sukkot: Feast of Tabernacles  
(22) Shmini Atzeret: The Last Great Day - Eighth Day of Assembly

**NOTE:** The Jewish calendar year begins in the 7th month, so the number of the Jewish year (i.e. 5787) changes in the month of Tishri.
