RESTORING THE HEBREW ROOTS
OF THE CHRISTIAN FAITH

AUGUST 2026

PRESSING THROUGH TO REACH THE PROMISE

It was the middle of August in Israel. The sun beat down relentlessly.

The crowds around Yeshua were so thick that most people couldn't get within arm's reach of Him. Yet one woman refused to give up.

For twelve agonizing years she had suffered from an issue of blood. She had spent every penny she had searching for relief. Every physician had failed her. Every earthly hope had disappeared, but desperation drove her where comfort never could.

With every ounce of strength she had left, she forced her way through the crushing multitude, believing that if she could touch just one thing — the tzitzit on the corner of Yeshua's tallit — everything would change.

She wasn't reaching for a superstition. She was reaching for the fulfillment of prophecy.

YeHoVaH commanded Israel to wear the tzitzit as a reminder to keep His commandments (Numbers 15:38-40). Then Malachi foretold that the coming Messiah would arise "with healing in His wings." The Hebrew word is kanaph (the corner of the garment) where the tzitzit are fastened (Malachi 4:2).

The moment she grasped the tzitzit, twelve years of suffering ended.

That is what happens when someone refuses to let obstacles stand between themselves and the truth of YeHoVaH.

Every day, people around the world are still searching. They have been disappointed by religious traditions, worn down by empty answers, and left spiritually exhausted. Many have nearly given up hope — until they encounter the truth of the Hebrew Scriptures and the Messiah who fulfilled them perfectly.

That is why this ministry exists. And your faithful support enables us to continue proclaiming these life-changing truths.

Just as that courageous woman pressed through every obstacle to take hold of the promise, I ask you to press through whatever may be standing in your way today. If YeHoVaH has blessed you through this ministry, now is the time to help someone else reach the truth that can change their life forever.

Together, we can continue extending the message of the Messiah to those who are still reaching for hope.

When MICHAEL CAME TO CAPE TOWN

“I became a Torah-observant follower of Yeshua in 2006 and soon after obtained the 3-DVD series with a strange man in a blue dress talking about sun gods and a fertility goddess who turned a chicken into an egg-laying rabbit — then I heard that he was coming to Cape Town!

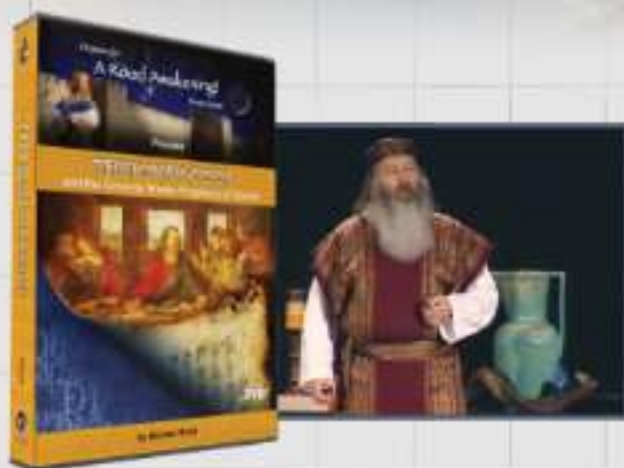

“So, I hired a science venue at a large mall which had an auditorium. With no time for marketing, the first meeting was poorly attended, but Michael taught the message that would later become **The Jonah Code!** He was electric, and you would swear he had the whole of Africa in front of him. At the next meeting, the venue was so full that people were sitting in the stairways and on the floor in front of the stage. So, we had to book another day!

“Michael came to my house for coffee and while he was sitting there on my blue leather couch I remember thinking how small he looked after appearing like a 9-foot giant on stage. Should I be asking him some profound question? Should I be harvesting some deep revelation from his brilliant mind? I could think of nothing — because I got it! **It's all in the Torah** and it's simple: **Obey as much as you possibly can** and YeHoVaH will lead you into all Truth. As Michael put it, **'You will only receive as much Truth as you are willing to obey.'**

“On another visit to South Africa, Michael launched The Chronological Gospels Bible which he had printed here. I have my autographed first copy, signed: 'I'll see you when the smoke clears M.R.'

“From your lips to His ears, Michael. Thank you for your service, sir.”

What if everything you've been taught about Galatians is wrong?

In this eye-opening teaching, John Snyder takes you deep into one of the most misunderstood books in the New Testament. For centuries, Galatians has been used to argue that Paul rejected the Torah and broke from the teachings of Messiah. But is that what Paul actually said?

With careful attention to Scripture, historical context, and Paul's own words, John challenges popular assumptions and uncovers a message that may surprise even seasoned Bible students.

Prepare to examine Galatians with fresh eyes, test long-held traditions, and discover whether Paul's teachings have been misunderstood all along.

Are all FOODS CLEAN?

with Dr. Nehemia Gordon

Did Yeshua really declare all foods clean, or is that a mistranslation that's been repeated for centuries? Millions assume the issue is settled, but what if the text says otherwise?

Dr. Nehemia Gordon takes a meticulous, word-by-word — and even letter-by-letter — look at Mark 7:19 to uncover what the passage actually says... and what it doesn't.

This exclusive teaching delivers compelling, text-based evidence that exposes one of Christianity's most misunderstood passages and equips you to answer the arguments used to dismiss YeHoVaH's Torah.
